**AGREEMENT OF AUGUST 1, 2021  
BETWEEN PRODUCER AND I.A.T.S.E. & M.P.T.A.A.C.  
AND LOCAL 892 THEREOF**

---

**THIS AGREEMENT**, executed as of August 1, 2021 between the International Alliance of Theatrical Stage Employees and Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada (hereinafter referred to as the “IATSE”)

and

**COSTUME DESIGNERS GUILD, LOCAL 892**

(hereinafter referred to as the “Local Union” and/or “the Guild”) of the International Alliance of Theatrical Stage Employees and Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada (both hereinafter referred to as the “Union”), on the one hand, and the following companies, separately and respectively:

THE ALLIANCE OF MOTION PICTURE AND TELEVISION PRODUCERS ON BEHALF OF THE COMPANIES LISTED ON EXHIBIT “A” ATTACHED HERETO, ALL OF WHICH CONSTITUTE A SINGLE MULTI-EMPLOYER BARGAINING UNIT (each hereinafter respectively referred to as the “Producer” and collectively referred to as the “Producers”), on the other hand.

In consideration of the mutual agreements herein contained, the parties hereto agree as follows:

**ARTICLE 1. Scope of Agreement**

This Agreement is made subject to the “Producer - I.A.T.S.E. and M.P.T.A.A.C. Basic Agreement of 2021.”

This Agreement shall be applicable to the classifications of employees listed in the “Wage Scales, Hours of Employment and Working Conditions” set forth herein, employed by Producer to perform services in the County of Los Angeles, or hired by the Producer in the County of Los Angeles to perform services outside the said County, but within the limits of the United States, its territories and Canada.

In the event the Producer elects to and does employ a person in the County of Los Angeles, California to perform work outside the limits of the United States, its territories and Canada in any of the job

classifications covered hereunder, then the provisions of this Agreement shall apply to such person. However, such person and Producer may make any other agreement to apply to such employment, such as a “flat deal” contract, in the place and stead of the provisions of this Agreement, provided such other agreement requires not less than seventy-five (75) hours per week in pension and health contributions to be made on behalf of such person (which amount may be prorated for partial workweeks).

The term “employee,” as hereinafter used, shall be deemed to mean an employee subject to the terms and conditions of this Agreement.

## **ARTICLE 2. Recognition**

The Producer recognizes the IATSE as the exclusive collective bargaining representative of all employees employed by Producer in the classifications listed in this Agreement. The Union makes this Agreement on behalf of such employees, the majority of whom the Union warrants are members of the Union in good standing.

The Local Union represents that the terms of this Agreement have been submitted to its membership and have been duly approved thereby.

## **ARTICLE 3. Union Security**

(a) Each employee of the Producer subject to the provisions of this Agreement shall, as a condition of employment, be or become a member of the Guild on and after the thirtieth day following the first day of his employment, or the execution date of this Agreement, whichever is the later.

As defined and applied in this Article 3(a), the term “member of the Union in good standing” means a person who offers to pay (and, if the Union accepts the offer, pays) Union initiation fees and dues as financial obligations in accordance with the requirements of the National Labor Relations Act.

(b) The Producer may employ or continue to employ any such then-employed employee who does not become or is not a member of the Guild as required under subparagraph (a) above, until: (1) the Guild first gives the Producer a written notice that such employee has not become or is not then a member of the Guild, as above required, because of such employee’s failure to tender the periodic dues and initiation fees

uniformly required as a condition of acquiring or retaining such membership, as the case may be, and (2) such employee fails to tender to the Guild such required periodic dues or initiation fees, as the case may be, within three (3) business days after Producer receives such notice; in which event Producer, upon receipt of written notice by the Guild requesting the discharge of such employee for non-membership, as herein provided, shall discharge said employee at the close of the shift on which such employee is working at the time Producer receives this notice.

(c) Producer agrees to inform the Guild, in writing, within seven (7) days (Saturdays, Sundays and holidays excluded) from the date of first employment hereafter, of the name, residence address, social security number and date of employment of any employee subject to this Agreement; provided, that an inadvertent failure to give such notice shall not be considered a breach of this Agreement.

(d) Producer shall notify the Guild of the employment of any person who renders services covered by this Agreement whether or not such employment is first employment covered by subparagraph (c) above or such employment is covered by a personal service contract covered by Paragraph 58.

All notices required by this Agreement are to be sent by Producer to the Guild and copies of personal service contracts shall be sent to the Guild's representative.

#### **ARTICLE 4. Wage Scales, Hours of Employment and Working Conditions**

Wage scales, hours of employment and working conditions shall be as set forth in the "Wage Scales, Hours of Employment and Working Conditions" herein for employees employed on theatrical and television motion pictures recorded on film and on theatrical motion pictures and one-hour and long-form prime time<sup>1</sup> dramatic television motion pictures recorded digitally.

Wage scales shall be as set forth in this Agreement, and working conditions shall be as set forth in the Videotape Electronics

---

<sup>1</sup> For the purposes of this Agreement, "prime time" shall be defined as the hours between 8:00 p.m. and 11:00 p.m. in the Eastern and Pacific time zones from Monday through Saturday (one hour earlier in the Central and Mountain time zones) and between the hours of 7:00 p.m. and 11:00 p.m. in the Eastern and Pacific time zones on Sunday (one hour earlier in the Central and Mountain time zones).

Supplemental Basic Agreement (“Videotape Agreement”), for employees employed on one-half hour prime time dramatic television motion pictures recorded digitally,<sup>2</sup> except that:

(a) Paragraphs 5 (“Night Premiums”) and 10 (“Rest Periods”) of Section II (“Studio Working Conditions”) of this Agreement shall apply in lieu of Paragraph 16 (“Night Premiums”) and 28 (“Rest Periods”) of the Videotape Agreement for employees employed on one- half hour single camera prime time dramatic television motion pictures recorded digitally;

(b) The special conditions set forth in Sideletter No. 1 to the Videotape Agreement shall apply to employees employed on one- half hour pilots recorded digitally;

(c) The special conditions set forth in Sideletter No. 2 to the Videotape Agreement shall apply to employees employed on one- half hour single camera prime time dramatic television series recorded digitally, the production of which commenced on or after October 1, 2006; and

(d) The special conditions set forth in Sideletter No. 4 to the Videotape Agreement shall apply to employees employed on one- half hour dramatic pilots or series recorded digitally that are made for basic cable.

## **ARTICLE 5. Better Conditions**

Nothing in this Agreement shall prevent any individual from negotiating and obtaining from the Producer better conditions and terms of employment than those herein provided. Provided also, that the Producer, at its discretion, with or without Guild consultation, may give any individual better conditions and terms than those herein provided.

No such granting to any individual of better conditions and terms, if any, shall in any manner affect the conditions and terms herein provided, nor shall it be considered in any manner as precedent for granting better conditions and terms than those herein provided to any other individuals or job.

---

<sup>2</sup> For sake of clarity, “situation comedies” recorded digitally for television are included within the meaning of “dramatic television motion pictures.”

## **ARTICLE 6. Authority of Union and Producer**

The Union and the Producer each agrees that it will not maintain nor adopt any Articles or By-laws or any rules or orders which will be in conflict with this Agreement.

## **ARTICLE 7. Grievance and Arbitration Procedure**

In the event of any dispute between the Local Union or any of the persons subject to this Agreement and the Producer with regard to wage scales, hours of employment or working conditions or with regard to the interpretation of this Agreement concerning such provisions, the procedure, unless otherwise specifically provided herein, shall be as follows:

Step One - The aggrieved party shall mail or deliver to the other party a written notice of the claim and concurrently furnish a copy of such notice to the International Representative of the IATSE and Contract Services Administration Trust Fund. Such written notice shall contain the specific contract sections which are alleged to have been violated, the date(s) or approximate date(s) of the alleged violation(s), the facts on which the grievance is based, the name of the production (if any), the remedy sought and the names of the individuals aggrieved, when known, except for group claims for which the classifications of the individuals aggrieved, when known, shall be listed.

A claim by the Local Union that the confirmation set forth in the second paragraph of Paragraph 6(a) of this Agreement has been violated by a Producer may be filed only upon the written approval of the West Coast office of the International Union. Such written approval shall accompany the claim.

The party which has received the grievance shall, within fifteen (15) working days after the grievance has been received, respond in writing to the aggrieved party, setting forth the reasons, if any, for the action(s) taken by it, which action(s) gave rise to the grievance. Copies of such written response shall also be furnished to the same parties served with the grievance. The representative of the Local Union and the designated representative of Producer shall immediately discuss the matter and the grievance shall be settled if at all possible. The decision, if any, of such representatives shall be final and binding upon the parties and any employees concerned.

If the party receiving the grievance fails to serve the written response as required by Step One, then the other party may elect to

proceed directly to arbitration or to Step Two by serving a written demand upon the other party within five (5) working days after the written response was due.

### Conciliation Committee

Step Two - If, within ten (10) working days after the response has been served, the parties fail to meet, or if the grievance is not settled, then the aggrieved party may proceed to Step Two, by delivering or mailing, within five (5) working days thereafter, a written demand, which shall include a statement of the particulars of the claim, upon the other party and upon the International Representative of the IATSE and CSATF. If neither party requests a Step Two conciliation meeting, then the aggrieved party may proceed directly to Step Three regarding expedited or regular arbitration, by serving a written demand upon the other party within the time periods set forth above. Failure of the aggrieved party to so serve such demand for a Step Two conciliation meeting or an arbitration shall constitute a waiver of the claim, unless the parties mutually stipulate otherwise in Step One.

If a demand for Step Two is so served, the grievance shall be brought before the Conciliation Committee as soon as practicable, but not later than twenty (20) working days following the receipt of such notice. The Conciliation Committee shall consist of an International Representative of the IATSE and a representative of CSATF.

The parties to the grievance shall be present and shall be responsible for the presentation of their own position at such time and place. If the aggrieved party fails to appear, then the grievance shall be considered as waived. If the responding party fails to appear, then the aggrieved party shall be entitled to proceed with the presentation of its position, and the Conciliation Committee, upon presentation of evidence showing a contract violation, shall have the authority to and shall issue an immediate final and binding award in favor of the aggrieved party, including an appropriate remedy.

If either party intends to appear, but does not intend to present any facts or arguments as to a defense or as to the claim, then such party shall so notify the other party as to such intention at least three (3) days prior to the conciliation meeting. In any event, either party may, at least three (3) days prior to the date of the Conciliation Committee meeting, cancel such Conciliation Committee meeting and the aggrieved party may proceed directly to arbitration under Step Three.

The AMPTP and the IATSE shall adopt written rules and procedures which shall be designed to foster to the maximum extent

possible the exploratory and conciliatory nature of Step Two of this procedure.

The Conciliation Committee shall, at the beginning of the meeting, assist the parties in a good faith attempt to resolve the dispute. In the event the parties, identified as the Producer and the Union, are able to resolve the grievance with the assistance of the Conciliation Committee, the Conciliation Committee shall reduce the resolution of the grievance to writing as a binding determination on all parties. Such a determination shall be signed by the parties.

If the dispute is not resolved as provided above, then both parties at that time must declare whether they will be bound by a decision of the Conciliation Committee. If both parties agree to be bound, then the Conciliation Committee shall hear the evidence and arguments of the parties and shall render a decision, which may include a “no decision” award, which shall be final and binding on all the parties, including any individual grievant. Disputes involving jurisdiction or technological changes shall be specifically excluded from the jurisdiction of the Conciliation Committee.

The Conciliation Committee shall have the right, upon written request of either party, to refer the dispute back to the parties, without prejudice to the merits and without expanding the time limits for the filing of a grievance or a response, if the Conciliation Committee is of the opinion that either the written grievance or response does not meet the requirements set forth in Step One.

Step Three - If the parties do not agree that the Conciliation Committee’s recommendation will be final and binding on them or if the parties fail to resolve the grievance, or if the Conciliation Committee has issued a “no decision” award, then the parties may proceed to expedited arbitration or regular arbitration as provided below:

(a) Expedited Arbitration - The aggrieved party may elect to proceed to expedited arbitration within ten (10) working days following the Step Two meeting if no agreement has been reached by the parties, or within ten (10) working days following the cancellation of the Step Two meeting, but only in cases wherein the claim arises under Paragraph 68 involving disputes relating to the failure to follow studio seniority or industry seniority, and disputes arising under Paragraph 68 covering the discharge or discipline for cause of an employee subject to Paragraph 68 of the applicable West Coast Studio Local Agreements, or in cases wherein the claim for wage payments, adjustments and/or damages consistent with the contract does not exceed fifteen thousand dollars (\$15,000). The aggrieved party may likewise proceed to

expedited arbitration following Step Two over disputes with regard to only “WAGE SCALES, HOURS OF EMPLOYMENT, AND WORKING CONDITIONS” provision of the Agreement subject to this Article and provided the claim for damages does not exceed fifteen thousand dollars (\$15,000). Any other case may be submitted to expedited arbitration only by the mutual agreement of the parties.

Disputes involving jurisdiction or technological changes shall be specifically excluded from the jurisdiction of expedited arbitration.

Except as time limits are set forth in Paragraph 68, cases that are submitted to expedited arbitration shall be heard within ten (10) working days after the other party received the demand for expedited arbitration or within ten (10) working days after the other party gives notice of its agreement to proceed to expedited arbitration in cases in which the mutual agreement of the parties is required.

The Alliance of Motion Picture and Television Producers and the IATSE shall revise the list of arbitrators assigned to hear expedited arbitrations. The list shall consist of four (4) arbitrators and one (1) alternate with recognized experience as professional labor arbitrators.

During the term of this Agreement, the parties may mutually add the names of additional persons to the panel of neutral arbitrators to either supplement the panel or replace persons no longer available to serve.

From the panel of names of the neutral arbitrators set forth above, the arbitrators shall be assigned, depending upon their availability, in rotation, to the cases as they arise. The parties may, by mutual consent, select an arbitrator out of rotation provided that notice of their selection is given to CSATF prior to the appointment of the arbitrator next in rotation.

The expedited arbitration hearing shall be presided over by a neutral arbitrator assigned from the panel of neutral arbitrators. The IATSE and CSATF shall schedule the grievances to be heard in order of receipt. The grievances must be heard by the assigned arbitrator unless that individual becomes unavailable, in which instance the next arbitrator in the rotation shall hear the grievance. If either party intends to be represented by outside counsel at the expedited arbitration hearing, then such party must notify the opposing party within two (2) working days after the hearing date for the expedited arbitration has been determined. The parties, who may be represented by outside counsel, will not file post-hearing briefs, but may, prior to or during the hearing, present a written statement of the facts. If either party so desires, a

stenographic record may be made and that party shall pay for the transcript. In such cases, the transcript shall be solely for the use of the party requesting it and shall not be used to delay a decision in the matter. The two preceding sentences shall not apply to roster placement nor roster removal arbitrations, for which no stenographic record shall be made. The neutral arbitrator shall have sole authority to rule on all motions and decide the case.

The writing of an opinion will be at the discretion of the neutral arbitrator. The decision of the arbitrator, which shall be issued orally and confirmed in writing if requested by either party at the conclusion of the hearing, or in writing within three (3) days from the conclusion of the hearing (the choice being at the sole discretion of the arbitrator) shall be final and binding upon the parties and any employees concerned. The neutral arbitrator shall have the power to determine only the specific grievance or dispute and, when appropriate, award wage adjustments or damages consistent with the contract, in an amount not to exceed fifteen thousand dollars (\$15,000), but shall not have the power to amend, modify or effect a change in any of the provisions of this Agreement, nor to determine jurisdictional or technological change disputes. The decision of the neutral arbitrator shall be non-precedential and his decision and/or opinion, if any, shall not be offered or admitted into evidence in any other proceeding other than: (1) a judicial action seeking confirmation, correction or vacation of said decision; or (2) a grievance or arbitration proceeding involving the same Producer and Local Union.

Fees and expenses of the arbitrator shall be borne equally by the parties to the dispute. All other costs shall be borne by the party incurring the same.

The bills of the arbitrator, together with a completed information form, shall be sent by the arbitrator to the IATSE and the Producer involved in the expedited arbitration with copies to CSATF. The information form shall be jointly prepared by the IATSE and CSATF. The neutral arbitrator shall proceed to hear a dispute properly before him under this provision of expedited arbitration, notwithstanding the fact that a similar case may be pending in a regular arbitration.

(b) Regular Arbitration - The aggrieved party may elect to proceed to regular arbitration within ten (10) working days following the Step Two meeting if no agreement has been reached by the parties or within ten (10) working days following the cancellation of the Step Two meeting.

The IATSE and the Producers agree to establish a panel of individuals with recognized experience as professional labor arbitrators as members of a standing panel of neutral arbitrators. The panel shall comprise an odd number of arbitrators.

If demand is served for regular arbitration, then the parties shall select a sole arbitrator to hear and determine the grievance by mutual agreement. If the parties cannot agree to the arbitrator to be appointed, then each party shall have the right to alternately strike an arbitrator's name from the panel until such time as one (1) arbitrator is left and the remaining arbitrator shall be selected and appointed as the arbitrator in the proceedings.

The parties shall select the arbitrator within five (5) working days after the demand for regular arbitration has been served. The parties may, by mutual agreement, select the arbitrator outside of the panel of neutral arbitrators or utilize the list of arbitrators obtained from the Federal Mediation and Conciliation Service.

Such hearing shall be held within fourteen (14) days after the arbitrator is selected, at such time and place as the arbitrator shall determine. If the arbitrator so selected is unable or unwilling to undertake the arbitration within the time limit herein provided, another arbitrator shall be selected from such list. The decision of the arbitrator shall be rendered in writing, stating his reasons for the award, within thirty (30) days after the submission of the grievance for decision. The arbitrator's decision shall be final and binding upon the parties thereto and upon any employees concerned. The arbitrator shall have the power to determine the specific grievance or dispute, but shall not have the power to amend, modify or effect a change in any of the provisions of the Agreement, nor to determine jurisdictional disputes.

Fees and expenses of the arbitrator and cost of a court reporter and original transcript, when jointly requested, shall be borne equally by the parties to the dispute; otherwise, the party making such request shall pay for it. All other costs shall be borne by the party incurring same.

(c) Claims - Any claims for the payment of wages or severance pay, not presented under Step One within three hundred sixty-five (365) consecutive days after the employee is entitled to such wages or severance pay, shall be deemed to be waived. Any dispute as to the correct amount of payment of holiday or vacation pay, not presented under Step One within three hundred sixty-five (365) consecutive days after March 15 of the calendar year next following the calendar year in

which such holiday or vacation pay, as the case may be, was earned, shall be deemed to be waived.

Any other claim or grievance not presented under Step One, within (i) sixty (60) calendar days after the occurrence of the subject matter of the grievance or (ii) within sixty (60) calendar days after the employee or the Union has had a reasonable opportunity to become aware of the occurrence, whichever of (i) or (ii) is the later (but in any event not to exceed three hundred sixty-five (365) calendar days after the occurrence), shall be deemed to be waived. Time on distant location shall not be included in this period.

For the purpose of this Article, “aggrieved party” shall mean the Producer or the Union acting on its own behalf or on the behalf of an employee covered by this Agreement.

(d) In General - The time periods provided for herein may be extended by mutual written consent of the parties.

(e) Scheduling - In scheduling any grievance in Step Two or Step Three, preference shall be given to any grievance involving the discharge of an employee or a grievance involving the Industry Experience Roster.

(f) Disciplinary Memos - Disciplinary memos issued to an employee are admissible evidence in a grievance and/or arbitration proceeding. However, such disciplinary memoranda, other than those resulting in a suspension or discharge, issued more than two (2) years prior to the incident or events giving rise to said grievance shall not be admissible.

(g) An arbitration award issued in either expedited or regular arbitration proceedings or a final and binding award rendered in Step Two of the grievance procedure which requires the payment of a specific sum of money shall be paid within thirty (30) days of the date of the award. If payment is not made within said period, interest shall accrue on the sum(s) due from the date of the award at the rate of one percent (1%) per month.

If a calculation is required to determine the specific amount(s) due under the award, the Producer shall calculate such amount(s) and shall notify the other party of the specific sum(s) due within sixty (60) days of the date of the award. If such calculation is not made or if notice is not given as required, interest shall accrue on the sum(s) due from the date of the award at a rate of one percent (1%) per month. If, after calculation, the parties disagree on the sum(s) due, or if

the amount(s) due and owing under the award cannot be calculated within the sixty-day period as a result of factors beyond the control of the Producer, then no interest shall accrue upon the sum(s) due.

## **ARTICLE 8. Conflict With Laws**

In the event that any provisions of this Agreement relating to the amounts and payment of wages or other financial benefits are affected by any legislation, decision of a court of competent jurisdiction or governmental regulation in such manner so that such wages or other financial benefits would be increased over, or decreased under, the amount intended to be paid by the parties hereto at the time of the execution of this Agreement, then each of the parties hereto agrees that upon written notice from the other party setting forth the provisions to be negotiated, they will renegotiate for modification of such provisions so that such provisions will conform to such legislation, decision of a court of competent jurisdiction or governmental regulation, as the case may be, and will provide, as nearly as possible, for payment of wages or other financial benefits in the amount intended to be paid by the parties hereto at the time of the execution hereof.

If the parties are unable to arrive at an agreement within thirty (30) days after delivery of such notice, then such provisions in question shall be immediately submitted to an Arbitration Committee composed of one member designated by the Producer, one member by the Union and an Impartial Chairman, to be selected by such other two (2) members within ten (10) days following such thirty-day period provided above. This Arbitration Committee shall promptly proceed to hear and settle such matter. The authority of this Arbitration Committee to decide shall be limited solely to determining the appropriate modifications of such provisions so that such provisions will conform to such legislation, decision of a court of competent jurisdiction or governmental regulation, as the case may be, and will provide, as nearly as possible, for the payment of wages and other financial benefits in the amount intended to be paid by the parties at the time of execution of this Agreement.

The terms and conditions of such appropriate modifications, if any, by the said Arbitration Committee, shall be effective and operative as of the date on which the provisions, so modified accordingly, were so affected by any such legislation, decision of a court of competent jurisdiction or governmental regulation, as the case may be, in such manner and to the extent as above described and provided. The amounts and payments of wages or other financial benefits contained in such appropriate modifications, if any, made by such Arbitration Committee, shall be computed and paid thereunder retroactive to the effective date of

such modifications. In the event that no such modifications can be made, as above provided, because of any legislation, decision of a court of competent jurisdiction or governmental regulation, Producer shall not be liable for any retroactive back pay adjustments, or any other penalty, if any such modification is thereafter permissible. The decision of the said Arbitration Committee shall be final and shall not be subject to the Grievance and Arbitration Procedure in Article 7 above, but its authority to decide shall be limited to the issue and remedy herein provided. The above procedure and conditions shall be the exclusive remedy for determining any dispute arising under this Article 8.

Upon written notice by such Arbitration Committee to the respective parties hereto, the modification of such provisions as determined by said Committee, as above provided, shall automatically become a part of this Agreement. Fees and expenses of the Impartial Chairman shall be borne equally by the Union and the Producer.

#### **ARTICLE 9. Term of Agreement**

The term of this Agreement shall be for a period commencing with August 1, 2021 and extending to and including July 31, 2024.

Either party may, by written notice (certified mail) to the other served on or before May 1, 2024, request renegotiation of the “Wage Scales, Hours of Employment and Working Conditions” of this Agreement. Such notice shall set forth in detail the proposals or recommendations of the party serving said notice of request for renegotiation. If such notice is served, the parties agree to commence negotiations within thirty (30) days after May 1, 2024 concerning the proposals or recommendations set forth in such notice and to continue negotiations diligently and in good faith on such proposals or recommendations which are submitted in such negotiations.

#### **ARTICLE 10. Interpretation**

Unless otherwise specifically defined herein, terms shall be given common meaning in the motion picture industry.

This Agreement hereby terminates and replaces the previous Agreement between the parties hereto entitled “Agreement of August 1, 2018 between Producer and I.A.T.S.E. & M.P.T.A.A.C. and Local #892 thereof.”

## **ARTICLE 11. Gender - Included Meanings**

Words used in this Agreement in the masculine gender include the feminine and the neuter.

## **ARTICLE 12. “Professional” Capacity**

The Guild and the Producer have agreed that the employees hereunder are employed by the Producer in a “professional” capacity within the meaning of the Fair Labor Standards Act of 1938, as amended.

## **ARTICLE 13. Paid Sick Leave**

(a) Accrual. Eligible employees covered by the IATSE Basic Agreement shall accrue one (1) hour of paid sick leave for every thirty (30) hours worked for Producer, up to a maximum of forty-eight (48) hours or six (6) days. (In lieu of the foregoing hourly accrual of paid sick leave, and provided that advance notice is given to the employee, a Producer may elect to provide employees, upon their eligibility to use sick leave as provided below (*i.e.*, upon working thirty (30) days for the Producer and after their ninetieth (90<sup>th</sup>) day of such employment with the Producer (based on days worked or guaranteed), with a bank of twenty- four (24) hours or three (3) days of sick leave per year, such year to be measured, as designated by the Producer, as either a calendar year or starting from the employee’s anniversary date. Under this elected option, such banked sick leave days may not be carried over to the following year.) Employees employed outside California shall be eligible for such sick leave commencing February 1, 2022.

(b) To be eligible to accrue paid sick leave, the employee must have worked for the Producer for at least thirty (30) days within a one (1) year period, such year to be measured, as designated by the Producer, as either a calendar year or starting from the employee’s anniversary date. Sick leave may be used in minimum increments of four (4) hours upon oral or written request after the eligible employee has been employed by the Producer for ninety (90) days (based on days worked or guaranteed), such period to be measured, as designated by the Producer, as either a calendar year or starting from the employee’s anniversary date. Reasonable advance notification of the need for sick leave is required if the use is foreseeable; otherwise, notice is required as soon as practicable. Sick days accrued on an hourly basis shall carry over to the following year of employment; however, the Producer may limit the use of such accrued time to no more than twenty-four (24) hours or three (3)

days during each year of employment as defined by the Employer in advance. To the extent the employee is eligible for paid sick leave in a jurisdiction with a law that cannot be waived in a collective bargaining agreement, any sick leave paid pursuant to the law shall count towards satisfying the Producer's obligations to provide paid sick leave under this Article.

(c) For employees employed on an hourly or daily basis, a day of sick leave pay shall be equal to eight (8) hours' pay at the employee's straight time hourly rate. If a four (4) hour increment of sick leave is taken, the employee shall be paid four (4) hours of pay at his straight time hourly rate. For weekly employees (including "on call" employees), a day of sick leave pay shall be equal to one-fifth (1/5th) of the employee's weekly rate under the studio minimum wage scales or one-sixth (1/6th) of the employee's weekly rate under the distant location minimum wage scales (or fifty percent (50%) thereof for a four (4) hour increment of sick leave taken). Replacements for weekly employees (including "on call" employees) may be hired on a *pro rata* basis of the weekly rate regardless of any contrary provision in this Agreement. The employee shall not be required to find a replacement as a condition of exercising his right to paid sick leave.

(d) Sick leave may be taken for the diagnosis, care or treatment of an existing health condition of, or preventive care for, the employee or the employee's "family member."<sup>3</sup> Sick leave also may be taken by an employee who is a victim of domestic violence, sexual assault or stalking.

(e) Accrued, unused sick leave is not paid out on termination, resignation or other separation from employment. If an employee is rehired by the Producer within one (1) year of the employee's separation from employment, the employee's accrued and unused sick leave shall be reinstated, and the employee may begin using the accrued sick leave upon rehire if the employee was previously eligible to use the sick leave or once the employee becomes eligible as provided above.

(f) Producer shall include in the employee's start paperwork the contact information for the designated Producer representative whom the employee may contact to confirm eligibility and the amount of accrued

---

<sup>3</sup> "Family member" means any of the following: (1) a biological, adopted or foster child, stepchild, legal ward or a child to whom the employee stands *in loco parentis*; (2) a biological, adoptive or foster parent, stepparent or legal guardian of the employee or the employee's spouse or registered domestic partner or a person who stood *in loco parentis* when the employee was a minor child; (3) a spouse; (4) a registered domestic partner; (5) a grandparent; (6) a grandchild; or (7) a sibling.

sick leave available. Such start paperwork shall also include information with respect to the year period (*i.e.*, calendar year or the employee's anniversary date) that the Producer selected to measure the thirty (30) day and ninety (90) day eligibility periods and the cap on accrual set forth in subparagraph (b) above or, alternatively, if the Producer elected to provide employees with a sick leave bank, the year period (*i.e.*, calendar year or the employee's anniversary date) that the Producer selected for the bank of three (3) sick days as provided in subparagraph (a) above. Producer also shall notify the West Coast office of the IATSE of the name and contact information of the designated Producer representative.

(g) Any Producer that, as of June 30, 2015, had a sick leave policy, or paid leave or paid time off policy that permits the use of paid sick time with respect to eligible employees working in California or that, as of February 1, 2022, has a sick leave policy, or paid leave or paid time off policy that permits the use of paid sick time for all other eligible employees, may continue such policy in lieu of the foregoing. Nothing shall prevent a Producer from negotiating a sick leave policy with better terms and conditions. There shall be no discrimination or retaliation against any employee for exercising his or her right to use paid sick leave.

(h) Any dispute with respect to sick leave for employees covered under this Agreement shall be subject to the grievance and arbitration procedures provided herein.

It is understood that the IATSE and the AMPTP shall memorialize any such waiver for any newly-enacted law by letter agreement.

<sup>1</sup> “On Call” Employee Work on Recognized Holidays - If an employee hired under the “On Call” Schedule is specifically instructed and required by Producer to perform work on a recognized holiday, under the direction and control of Producer, he shall be paid an additional one-fifth (1/5) of the “on call” weekly rate in effect for each day so worked.

“On Call” Employee Work on Six (6) or Seven (7) Days Within the Employee’s Workweek - If an employee hired under the “On Call” Schedule is specifically instructed and required by Producer to perform work on six (6) or seven (7) days within the employee’s workweek, under the direction and control of the Producer, he shall receive one and one-half times one-fifth (1/5) of the “on call” weekly rate in effect for the sixth or seventh day(s) so worked.

Such provisions shall apply to employees hired under the “On Call” Schedule who, having commenced work on the previous day, continue to work past 1:00 a.m. on such sixth or seventh day within the employee’s workweek or recognized holiday, as the case may be, and who worked at least fifteen (15) hours, including meal period, before being dismissed on such sixth or seventh day within the employee’s workweek or recognized holiday, as the case may be. In any event, an employee hired under the “On Call” Schedule who does not so work past 1:00 a.m. on such sixth or seventh day within the employee’s workweek or recognized holiday shall not be deemed to have worked on such day by reason of work between 12:00 midnight and 1:00 a.m. of that day.

The term “rate in effect” means wage scale plus amounts in excess of scale, if any.

<sup>2</sup> On television productions, if a Costume Designer is hired under this Agreement on a daily basis, the Producer must engage a person not on the payroll of that production. For each day so worked, Producer shall submit contributions to the Pension and Health Plans on behalf of the Costume Designer based on twelve (12) hours.

In hiring daily schedule Costume Designers, Producer shall give preference of employment to qualified Costume Designers as provided in Paragraph 68 of the Local 892 Agreement.

<sup>3</sup> Assistant Costume Designers are employees designated by Producer to work under the supervision and direction of Costume Designers. The duties are the same as those of a Costume Designer.

**2. Classification and Wage Schedule**

Each employee shall be notified at the time of his employment under which classification and wage schedule he is employed.

**3. Payroll Week**

The full payroll week shall be from midnight Saturday to midnight Saturday.

**4. Fractional Payroll Weeks**

(a) Guarantees of Employment:

(1) Schedule B-1 and Schedule C “On Call:”

For any day other than the sixth or seventh day worked in an employee’s workweek (including holidays not worked):	1/5 of Schedule C rate per day
Holidays worked:	See footnote 1 in Paragraph 1

The above minimum guarantees shall apply for fractional weeks when employees are called back for retakes, changes or added scenes on the same production.

(2) Schedule B (Hourly Employees):

For any day other than the sixth or seventh day worked in an employee’s workweek (including holidays not worked):	8 hours per day; 1½ thereafter at Schedule B rates
Holidays worked:	Minimum call – 8 hours; double Schedule B rates

(b) Any weekly schedule employee who works three (3) or fewer days in a workweek shall be compensated based on one-fifth (1/5) of the weekly rate for each day worked (*e.g.*, an employee who works three (3) days shall be paid three-fifths (3/5) of the weekly rate). Weekly

schedule employees who work more than three (3) days in a workweek shall be paid a full week's pay.

## **II. STUDIO WORKING CONDITIONS**

The provisions of this Section II shall not be applicable where otherwise provided nor shall they be applicable to employees hired under the "On Call" schedule, except as provided in Paragraph 6(e) below.

### **5. Night Premiums**

Work time for "Off Production" employees shall be paid for according to the following schedule:

(a) Employees called to work between 6:00 a.m. and 8:00 p.m. shall receive a ten percent (10%) premium for all time worked between 8:00 p.m. and 6:00 a.m.

(b) Employees called to work between 8:00 p.m. and 4:00 a.m. shall receive a twenty percent (20%) premium for all time worked.

(c) Employees called to work between 4:00 a.m. and 6:00 a.m. shall receive a twenty percent (20%) premium for all time worked until 6:00 a.m. and straight time for the remainder of the minimum call.

### **6. Minimum Calls**

(a) The minimum call is a guarantee of employment for the number of hours of the minimum call indicated in the wage schedules.

The parties hereby confirm the following: The guaranteed length of employment shall be daily or weekly. A guarantee for a longer term shall be specifically set forth in writing. An employee may be replaced following completion of the guaranteed period of employment.

(b) Employees shall hold themselves in readiness to serve the Producer during the period of the minimum call and such additional time as the Producer may require.

(c) No Clause.

(d) Minimum calls for Weekly Schedule employees are guaranteed for five (5) consecutive days out of seven (7) consecutive

days, commencing with the first of such five (5) days worked, including holidays, during the period of employment.

(e) (1) Prior to November 21, 2021, a four (4) hour minimum call shall apply for any day on which an employee, at the request of an individual Producer, reports for safety training. A daily “on call” employee who reports for safety training shall be paid one-half ( $\frac{1}{2}$ ) of the daily “on call” rate for each such day; a weekly “on call” employee shall be paid one-tenth ( $\frac{1}{10}$ ) of the weekly “on call” rate for each such day.

(2) Effective November 21, 2021, a four (4) hour minimum call shall apply for any day on which an employee does not work and reports for training at the request of an individual Producer. A weekly “on call” employee shall be paid one-tenth ( $\frac{1}{10}$ ) of the weekly “on call” rate for each such day. The foregoing does not apply to a day that is within the weekly guarantee of a weekly employee or a weekly "on call" employee.

## **7. Overtime**

(a) All time and one-half, “not less than one and one-half,” double time, Golden Hour pay and pay for the sixth or seventh day worked in the employee’s workweek and holidays in excess of the Regular Basic Hourly Rate are paid as overtime compensation and shall not be compounded.

(b) Overtime paid on a daily basis shall be computed at the Regular Basic Hourly Rate in effect when the overtime occurs.

(c) Overtime paid on a weekly basis shall be computed at the mean Regular Basic Hourly Rate.

(d) Night premiums shall be included as a part of the Regular Basic Hourly Rate in computing overtime.

(e) Meal delay penalties (Paragraph 20) and pay for call-back intervening time of less than five (5) hours (Paragraph 10) shall be included as a part of the Regular Basic Hourly Rate in computing overtime required by the Fair Labor Standards Act.

## **8. Workweek; Sixth or Seventh Day Worked in an Employee’s Workweek**

(a) The regular studio workweek shall consist of any five (5) consecutive days out of any seven (7) consecutive days, commencing

with the first of such five (5) days. However, the five (5) consecutive day requirement shall not apply upon the commencement of any regularly-scheduled five-day-per-week shift. (For example, on starting a new shift, a schedule that provides for an employee to work on Monday and Tuesday, with Wednesday and Thursday as the regular days off, and is followed by work on Friday through the following Tuesday does not violate the five (5) consecutive days requirement.)

(b) Time and one-half shall be paid for the employee's sixth day of work within a workweek. Double time shall be paid for the employee's seventh day of work within a workweek. If an employee works six (6) or seven (7) days within his workweek, the sixth or seventh day worked shall be subject to Paragraph 5, "Night Premiums." All employees are paid at their scheduled Regular Basic Hourly Rates as specified in Paragraph 1.

In the event that any daily employee who is not on a regularly-scheduled workweek works six (6) days, starting with the first day worked, within a seven (7) consecutive day period, he shall be paid time and one-half for the sixth day worked.

If a weekly employee or a regularly-scheduled, five-day-per-week daily employee is required to work six (6) days in his workweek, the Producer shall make reasonable good faith efforts to schedule the employee to work on six (6) consecutive days. Any unresolved dispute as to whether the Producer has made such reasonable good faith efforts shall be submitted to the International President and the President of the AMPTP for resolution.

(c) Except as provided in this subparagraph, a work day starting on one calendar day and running into the next calendar day shall be credited to the first calendar day. The foregoing rule shall not apply in the following situations: (1) If an "on production" employee's fifth day of work in a workweek occurs on a Friday and his shift commences after 8:00 p.m. and overlaps into Saturday, he shall be paid time and one-half for the hours worked on Saturday; and (2) an employee whose work shift overlaps into a holiday or from a holiday into the next day shall be paid in accordance with the "Provisions for Holidays Worked" under this Agreement for those hours worked on the calendar holiday.

(d) The guaranteed pay of weekly employees who absent themselves without the Producer's consent may be reduced one-fifth (1/5) of the weekly guarantee for each day of absence.

(e) (1) In situations involving a change of schedule for regularly-scheduled employees, accommodations will be made, to the

extent practicable, to avoid a reduction in the number of workdays for the employee, without requiring the employer to pay premium pay.

(2) The Producer shall give reasonable notice of a change of shift (*e.g.*, from a Monday through Friday shift to a Tuesday through Saturday shift) to regularly-scheduled employees. In the event that the employee would receive fewer than two (2) days off in the workweek as a result of the shift change, the following alternatives shall be available:

(i) As to “off production” employees:

(A) If the Producer and the employee so agree, the employee may work at straight time without having two (2) days off;

(B) The Producer may require employees to take an additional day off (and such scheduling shall not be deemed to constitute a prohibited relay call), thereby avoiding premium pay; or

(C) The Producer must pay the employee time and one-half if it requires the employee to work on the day which would otherwise be the employee’s regularly-scheduled day off.

(ii) As to “on production” employees, once during the production of a motion picture, or in the case of episodic television, once between hiatus periods (*i.e.*, between the commencement or resumption of production and a cessation of principal photography for the series for at least one week), the Producer may shift the workweek for employees working on production without incurring extra costs, by adding one (1) or two (2) days off consecutive with the sixth and/or seventh days off in the prior workweek and/or by shifting a workweek commencing on a Tuesday to a workweek commencing on a Monday, provided that the intervening Sunday is a day off. Otherwise the Producer must pay the employee appropriate premium pay if it requires the employee to work on the day(s) which would otherwise be the employee’s regularly-scheduled day(s) off.

(iii) In addition to the shift in the workweek outlined in subparagraph (ii) above, the IATSE agrees that it will not unreasonably deny a request to shift the workweek of production employees without incurring additional costs when a production travels to a new city.

(3) The Producer shall endeavor to make reasonable accommodations for regularly-scheduled employees on payroll who do not wish to change to a new shift that includes Saturday or Sunday as regularly-scheduled workday(s).

(f) The Producer shall not lay off and rehire the same employee within the same workweek for the purpose of avoiding premium pay.

(g) With respect to assignments to regularly-scheduled, five-day-per-week shifts that include Saturday and/or Sunday, the Producer will first solicit volunteers to work such shifts. In the event of an insufficient number of volunteers to fill such positions, the Producer may hire as provided in this Agreement.

(h) Employees who are not on the payroll of the Producer will not be taken off the roster for refusal to accept calls for work on Saturday and/or Sunday. In other cases, the exceptions to roster removal set forth in Paragraph 68 of this Agreement shall continue to apply.

(i) In the event an employee is absent on a regularly-scheduled workday and offers to work an additional day in such workweek to compensate for the day of absence, and the Producer accepts such offer, such employee shall be paid at straight time for such “make-up” day.

(j) In the event a holiday falls on an employee’s regularly-scheduled workday and the employee is not required to work on such holiday, but is required to work on either or both of his regularly-scheduled days off in that workweek, such employee shall be paid time and one-half if he works on one of such regularly-scheduled days off and, in addition, shall be paid double time if he also works on the second of such regularly-scheduled days off.

## **9. Holidays**

(a) Work time on holidays shall be subject to Paragraph 5, “Night Premiums.” All employees are paid at their scheduled Regular Basic Hourly Rates. Minimum calls are as specified in Paragraph 1 above.

(b) New Year’s Day, Presidents’ Day (third Monday in February), Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving and Christmas Day shall be recognized as holidays. Effective January 1, 2022, Martin Luther King Jr. Day shall also be recognized as a holiday.

If any of the above holidays falls on a Saturday, the preceding Friday shall be considered the holiday and if a holiday falls on Sunday, the following Monday shall be considered the holiday, except that on distant location, Saturday holidays will be recognized on Saturday.

For work performed in Canada, Producers may elect to observe the following Canadian holidays in lieu of the referenced holidays listed above:

- (1) Victoria Day in lieu of Memorial Day; and
- (2) Canada Day in lieu of Independence Day (July 4<sup>th</sup>);

provided that the two holidays are within the employee's period of employment and the Producer gives no less than two (2) weeks' notice to the affected employee, unless the employee has been employed fewer than two (2) weeks prior to the first of the two holidays, in which case the Producer will provide notice to the affected employee at the time of hire. When the employee has not been employed on the Canadian holiday set forth above, but is employed to work on the U.S. holiday, the employee shall be paid a premium for the corresponding U.S. holiday. The Union will not unreasonably deny requests to exchange other Canadian holidays for those listed above (such as Family Day in lieu of Presidents' Day or Easter Monday in lieu of Good Friday).

(c) Provisions for Holidays not Worked

(1) Daily Employees

Effective in the period January 1, 2021 to and including December 31, 2021, a Daily Schedule employee shall receive 3.719% of his annual straight work time earnings, including night premiums, as payment for holidays not worked. Effective in the period January 1, 2022 to and including December 31, 2022 and in the period January 1, 2023 to and including December 31, 2023, a Daily Schedule employee shall receive 4% of his annual straight work time earnings, including night premiums, as payment for holidays not worked. Pay at straight time only for unworked holidays paid to Daily Schedule employees during distant location employment shall be offset against such employee's annual holiday compensation, computed as above.

(2) Weekly Employees

Employee shall receive work time credit for each holiday not worked in an amount equal to the minimum call specified in the schedule under which employee is employed. Said amount shall be paid as compensation for readiness to perform services even though no actual work is required.

(d) Provisions for Holidays Worked

(1) Daily Employees shall receive double the Regular Basic Hourly Rate.

(2) As to Weekly Employees, hours worked shall be included as work time. In addition, employee shall receive pay at the Regular Basic Hourly Rate for the number of hours worked, but not less than the hours of the minimum call.

(e) The total amount of salary paid in the period January 1, 2021 to and including December 31, 2021, to a Weekly Schedule employee hereunder for recognized holidays not worked shall be offset against an amount equal to 3.719% of such employee's accumulated weekly schedule earnings within the same period. The employee shall be paid the amount by which such 3.719% computation exceeds the amount of holiday pay such employee has received for such period for holidays not worked.

The total amount of salary paid in the period January 1, 2022 to and including December 31, 2022 and in the period January 1, 2023 to and including December 31, 2023 to a Weekly Schedule employee hereunder for recognized holidays not worked shall be offset against an amount equal to 4% of such employee's accumulated weekly schedule earnings within the same period. The employee shall be paid the amount by which such 4% computation exceeds the amount of holiday pay such employee has received for such period for holidays not worked.

The foregoing shall be subject to the following provisions:

(1) "Weekly schedule of pay," in the case of a Weekly Schedule employee with a basic hourly rate and a specified number of hours in the workweek, shall be deemed to mean the scheduled pay for such specified hours only. A day's holiday pay for such schedule shall be considered as one-fifth (1/5) of such weekly schedule rate of pay for studio workweeks, and one-sixth (1/6) of such weekly schedule rate of pay for distant location workweeks.

(2) "Weekly schedule of pay," in the case of an employee hired under the "On Call" schedule, shall be deemed to mean the pay rate specified in the wage scale, plus overscale payment, if any. A day's holiday pay for such schedule shall be considered as one-fifth (1/5) of such weekly schedule rate of pay, plus overscale payment, if any, for studio workweeks, and one-sixth (1/6) of such rate of pay for distant location workweeks.

(3) Vacation pay, severance pay and premium pay for holidays actually worked shall be excluded from the applicable percentage computation required under this subparagraph (e) above.

(4) The applicable percentage computation described under this subparagraph (e) above shall not be applicable to any employee hereunder for any calendar year in which he is paid for nine (9) recognized holidays not worked.

(f) Presentation of Claim For Holiday and/or Vacation Pay

(1) Producers that currently pay for vacations and/or holidays on a weekly basis shall continue to adhere to their existing practice. Producers that currently make vacation and/or holiday payments pursuant to subparagraph (f)(2) below may instead elect on a production-by-production basis to pay on a weekly basis.

(2) Producers that currently pay for vacations and/or holidays at the end of the calendar year shall elect one of the following procedures for employees on layoff and for employees on payroll:

(i) With respect to employees on layoff:

(A) On or after March 15 of the year following the calendar year in which vacation and/or holiday pay was earned, the Producer shall either:

(1) mail or deliver to such employee his vacation and/or holiday pay; or

(2) notify each such employee that he should claim his vacation and/or holiday pay pursuant to the provisions of this Agreement.

(B) In the event the Producer mails the employee's vacation and/or holiday paycheck and it is returned or if the employee fails, within thirty (30) days following the date of mailing of the notice referred to in subparagraph (f)(2)(i)(A)(2) above, to claim his/her vacation and/or holiday pay, the Producer shall notify the Local Union of the names of those employees who have not claimed vacation and/or holiday pay. In the case of employees whose checks were returned, the Producer shall also forward the returned check(s) to the Local Union.

(C) The Local Union shall endeavor to locate any employee who has not claimed his vacation and/or holiday pay. If it

does so, it shall forward to the employee his check or otherwise advise the employee of the department of the Producer to contact to claim such pay.

(D) If the Local Union is unable, within thirty (30) days following the receipt of the notice referred to in subparagraph (f)(2)(I)(B) above, to locate such employee(s), the Local Union shall so advise the Producer and return any unclaimed check(s) to the Producer.

(E) On or about March 15 of the second calendar year following the year in which vacation and/or holiday pay was earned (“the second calendar year”), employees who have not claimed their vacation and/or holiday pay will be notified that unless claimed by July 15 of that year, such pay will be sent to the Motion Picture Industry Pension Plan. On or about May 15 of the second calendar year, Producer will furnish to the Local Union a list showing the names of those employees who have not claimed vacation and/or holiday pay and the amount of vacation and/or holiday pay due to each, together with a notice that unless claimed by July 15, such vacation and/or holiday pay will be sent to the Motion Picture Industry Pension Plan.

(F) On or about July 15 of the second calendar year, unclaimed vacation and/or holiday pay will be contributed to the Motion Picture Industry Pension Plan and credited to the appropriate employee pension plan account. Money so contributed shall not be returned to the employee and shall fully discharge the Producer’s and the Local Union’s obligations hereunder to the employee with respect to the payment of holiday and/or vacation pay.

(ii) With respect to employees on payroll:

(A) On or after March 15 of the year following the calendar year in which vacation and/or holiday pay was earned, the Producer shall either:

(1) mail or deliver to such employee his vacation and/or holiday pay; or

(2) notify each such employee that he should request holiday pay pursuant to the provisions of this Agreement and schedule his vacation according to this Agreement.

(B) In the event the employee fails to request such holiday pay and/or to schedule his vacation within thirty (30) days after the date of mailing of the notice referred to in subparagraph

(f)(2)(ii)(A)(2) above, the Producer shall notify the Local Union of the names of those employees who have not claimed such pay and/or scheduled their vacation.

(C) The Local Union shall, within thirty (30) days after receipt of the notice referred to in subparagraph (f)(2)(ii)(B) above, endeavor to notify the employee and advise him to claim holiday pay and to schedule his vacation.

(D) On or about March 15 of the second calendar year, employees who have not claimed their vacation and/or holiday pay will be notified that unless claimed by July 15 of that year, such pay will be sent to the Motion Picture Industry Pension Plan. On or about May 15 of the second calendar year, Producer will furnish to the Local Union a list showing the names of those employees who have not claimed vacation and/or holiday pay and the amount of vacation and/or holiday pay due to each, together with a notice that unless claimed by July 15, such holiday and/or vacation pay will be sent to the Motion Picture Industry Pension Plan.

(E) On or about July 15 of the second calendar year, unclaimed vacation and/or holiday pay will be contributed to the Motion Picture Industry Pension Plan and credited to the appropriate employee pension plan account. Money so contributed shall not be returned to the employee and shall fully discharge the Producer's and Local Union's obligations hereunder with respect to the payment of vacation and/or holiday pay.

(3) New signatory Producers shall adhere to the practice of paying vacation and holiday pay currently on a weekly basis unless other arrangements are made by them with the IATSE.

## **10. Rest Periods**

The following provision applies to employees employed on a motion picture, program, part of a mini-series or episode of a series which commences principal photography on or after February 13, 2022. Otherwise, Paragraph 10 of the 2018 Agreement shall apply.

### **(a) Daily Rest Period**

(1) The daily rest period shall be ten (10) hours. If the daily rest period is invaded by no more than one (1) hour for an "On Production" employee (or no more than two (2) hours for an "Off Production" employee) following dismissal from a studio or nearby location, the employee shall be paid additional straight time for all such

invaded time. Otherwise, the penalty for an invasion of the daily rest period shall be as provided in Paragraph 11(b) below.

(2) When the daily rest period is invaded, intervening time of less than five (5) hours between dismissal and call-back to work shall be work time; intervening time of five (5) or more hours shall not be work time. When intervening time is less than five (5) hours, such time may be applied as part of the “call-back” guarantee. All employees are paid at their scheduled Regular Basic Hourly Rates.

Minimum Guarantees for “Call-backs” During Daily Rest Period Following Dismissal		
Classification	Any Day Other Than a Holiday or the Sixth or Seventh Day Worked in an Employee’s Workweek	Sixth or Seventh Day Worked in an Employee’s Workweek and Holidays*
Daily Employees	4 hours at 1½; 1½ thereafter	3 hours at double time; double time thereafter
Weekly Employees	½ minimum call	½ minimum call

\* The above “call-back” guarantees for the sixth or seventh day worked in an employee’s workweek or holiday do not apply when employee reports to work on such days within the appropriate daily rest period following dismissal from work starting on the previous day. In such event, the “call-back” guarantee is the minimum call in hours as specified in Paragraph 1.

(3) By way of clarification, the parties agree that forced calls are triggered by time worked rather than by time paid.

(b) Weekend Rest Period<sup>4</sup>

(1) Weekend Rest Period for Employees Who Work a Five (5) Consecutive Day Workweek

An employee who works five (5) consecutive days in the workweek shall be entitled to a rest period of fifty-four (54) hours, inclusive of the daily rest period.

The weekend rest period may be reduced to fifty (50) hours, inclusive of the daily rest period, in the following circumstances:

---

<sup>4</sup> If the production’s first workweek is a partial workweek, the weekend rest period shall apply as if it were a full workweek.

(i) The fifth day of the workweek is no longer than twelve (12) hours worked; and either

(ii) (A) exterior night shooting, as called for in the script, is scheduled for the fifth day of the workweek;

(B) work on the fifth day of the workweek takes place at a shooting location, access to which is limited to certain hours; or

(C) work on the fifth day of the workweek is delayed due to health and safety concerns as a result of weather or a natural hazard that occurs during the course of the employee's work shift.

(iii) Producer may utilize the foregoing exceptions:

(A) once on a one-time motion picture 66 minutes or more but less than 85 minutes in length;

(B) no more than once every six (6) weeks on episodic series and mini-series; and

(C) twice on a theatrical motion picture or a one-time motion picture 85 minutes or more in length.

(2) Weekend Rest Period for Employees Who Work a Six (6) Consecutive Day Workweek

An employee who works six (6) consecutive days in the workweek shall be entitled to a rest period of thirty-two (32) hours, inclusive of the daily rest period.

(3) Weekend Rest Period for Employees Whose Sixth Day Worked Occurs on the Seventh Day of the Workweek

An employee whose sixth day worked occurs on the seventh day of the workweek shall be entitled to a rest period of thirty-two (32) hours between the fifth day worked and the seventh day of the workweek, inclusive of the daily rest period.

(4) The penalty for invasion of the weekend rest periods set forth in subparagraph (b)(1)-(3) above shall be payment of additional straight time for the invaded hours only.

(5) The rest periods set forth in subparagraph (b)(1)-(3) above do not apply to a workweek shift.

(c) Rest periods shall be measured from: (1) dismissal when the employee is employed in the studio or studio zone; (2) the time the employee is deemed to have reached the perimeter of the Los Angeles thirty-mile zone for employees working in the secondary studio zone; or (3) the time the employee is deemed to have reached the place of reporting when working on a nearby location.

## **11. Golden Hour Provisions**

(a) (1) All time worked at a studio zone (or secondary studio zone) location or nearby location, including a combination of work in the same shift of work between a studio and any of such locations, in excess of fourteen (14) consecutive hours (including meal periods) from the time of reporting for work shall be Golden Hours and shall be paid for at the following rates:

Occurring on Any Day Other Than a Holiday or the Sixth or Seventh Day Worked in an Employee's Studio Workweek: Two (2) times the scheduled Regular Basic Hourly Rate.

Occurring on the Sixth Day Worked in an Employee's Studio Workweek: Three (3) times the scheduled Regular Basic Hourly Rate.

Occurring on the Seventh Day Worked in an Employee's Studio Workweek or Holiday: Four (4) times the scheduled Basic Hourly Rate.

(2) In a shift of work all of which occurs solely on the premises in a studio, all time worked in excess of twelve (12) consecutive hours (including meal period) from the time of reporting for work shall be Golden Hours and shall be paid at the following rates:

Occurring on Any Day Other Than a Holiday or the Sixth or Seventh Day Worked in an Employee's Studio Workweek: Two (2) times the scheduled Regular Basic Hourly Rate.

Occurring on the Sixth Day Worked in an Employee's Studio Workweek: Three (3) times the scheduled Regular Basic Hourly Rate.

Occurring on the Seventh Day Worked in an Employee's Studio Workweek or Holiday: Four (4) times the scheduled Regular Basic Hourly Rate.

(3) For “on production” employees only who are employed on television productions and whose shift of work occurs solely on the premises in a studio, or at a studio zone (or secondary studio zone) location, or at a nearby location, or at a combination of a studio and a studio zone (or secondary studio zone) and/or nearby location, Golden Hours as provided in subparagraphs (1) and (2) above shall be based on hours worked, rather than elapsed. For example, if such an employee works solely at a studio, all time worked in excess of twelve (12) work hours shall be Golden Hours and shall be paid for in accordance with subparagraph (2) above.

(b) Except as provided otherwise in Paragraph 10(a), once an employee is on Golden Hours, all work time thereafter (including meal periods, but excluding interruptions as defined below) shall be paid for at the applicable Golden Hour rate until he shall have received a rest period of not less than eight (8) consecutive hours. (Deductible meal periods shall not be included in work time which is to be paid for at the applicable Golden Hour rate for “on production” employees employed on television productions whose shift of work occurs solely on the premises in a studio, at a studio zone (or secondary studio zone) location, at a nearby location, or at a combination of a studio and a studio zone (or secondary studio zone) and/or nearby location.)

If an employee reaches the Golden Hour rate applicable to the seventh day worked and continues to work past midnight on such seventh day worked, such rate shall apply until the employee is dismissed for a period of five (5) or more consecutive hours. If such dismissal is for five (5) or more hours but less than eight (8) hours, the employee shall revert to the regular weekday Golden Hour rate until he is dismissed for a period of eight (8) consecutive hours.

This subparagraph (b) does not apply to the weekend rest period provisions in Paragraph 10(b).

(c) To determine (1) when Golden Hours begin, or (2) the number of Golden Hours to be paid for once Golden Hours have begun, the following provisions shall apply:

WHEN INTERVENING TIME BETWEEN DISMISSAL AND CALL-BACK TO WORK IS LESS THAN FIVE (5) HOURS	WHEN INTERVENING TIME BETWEEN DISMISSAL AND CALL-BACK TO WORK IS BETWEEN FIVE (5) HOURS AND THE END OF THE APPLICABLE REST PERIOD IN PARAGRAPH 10(a) (OTHER THAN AS PROVIDED IN PARAGRAPHS 10(a)(1) AND 10(a)(2) FOR INVADED HOURS ONLY)	WHEN INTERVENING TIME BETWEEN DISMISSAL AND CALL-BACK IS PAID AT INVADED HOURS ONLY UNDER PARAGRAPH 10(a)(1)	WHEN INTERVENING TIME BETWEEN DISMISSAL AND CALL-BACK EXCEEDS THE APPLICABLE REST PERIOD
(Work time)	(Interruption)	(Invaded by one (1) hour or less for “On Production Employees” or two (2) hours or less for “Off Production” Employees under Paragraph 10(a)(1))	(Full rest period)
Intervening time is work time and is added to previous and subsequent work time.	Intervening time is not work time, but previous and subsequent work time are added together to determine (1) and (2) above.	Intervening time breaks accumulation of hours toward the Golden Hour point and stops Golden Hours if once begun; invaded hours paid at additional straight time.	Intervening time breaks accumulation of hours toward the Golden Hour point and stops Golden Hours if once begun.

This subparagraph (c) does not apply to the weekend rest period provisions in Paragraph 10(b).

(d) No Clause.

(e) Compensation for Golden Hours shall be used only to pay for Golden Hours and shall supersede and replace any other compensation for work time during Golden Hours. However, in the event of a forced call, Golden Hours may be used to fulfill minimum call guarantees on the day(s) of the forced call.

**12-16. No Clauses.**

## **17. Time Cards and Computation of Work Time**

(a) The employee's classification and wage schedule, starting and finishing time, deductible meal periods, rate changes and penalties, if any, shall be shown on his time card. Any items changed after time card is approved must be reviewed by the employee.

(b) Work time shall be computed from time ordered to report at department headquarters until dismissed at department headquarters.

(c) The IATSE and an individual Producer may agree to relocate the time clock at a place other than an employee's department headquarters. The IATSE shall not unreasonably deny a request for relocation; provided, however, not more than one (1) such request shall be made during the term of this Agreement. In the event of a dispute as to relocation of a time clock, the matter shall be submitted to the President of the IATSE and the President of the AMPTP for resolution.

When a designated time clock is established at a place other than an employee's department headquarters, work time shall be computed from the time the employee is ordered to report to the designated time clock location until dismissed at same location. Employees shall be given sufficient time to travel to and from such designated time clock and their department headquarters and work site.

(d) All time shall be computed in one-tenth hour (six minute) periods.

## **18. No Clause.**

## **19. Pay-off Requirements**

(a) The regular pay day will be on Thursday (holiday weeks excluded).

(b) When employee is laid off and requests pay, he shall be paid at time of layoff or within twenty-four (24) hours, excluding Saturdays, Sundays and holidays.

(c) If, due to the fault of the Producer, an employee does not receive wages or salary on a timely basis, the Producer shall, within three (3) days after being so notified by the employee, issue a check in payment of same to the employee.

(d) The Producer agrees to use its best efforts to break down overtime payments on the employee's pay check stub and to show amounts paid as meal penalties.

## **20. Meal Periods and Meals**

The meal period provisions below apply to both "On Production" and "Off Production" employees.

(a) Meal periods shall be not less than one-half ( $\frac{1}{2}$ ) hour nor more than one (1) hour in length. Not more than one (1) meal period shall be deducted from work time for an employee during the minimum call. A second meal period may be deducted from work time for those employees who work in excess of the minimum call. The minimum guarantee of work time after an evening meal shall be one and one-half ( $1\frac{1}{2}$ ) hours. This guarantee does not apply when such meal is supplied at the Producer's expense.

(b) The employee's first meal period shall commence within six (6) hours following the time of first call for the day; succeeding meal periods for the same employee shall commence within six (6) hours after the end of the preceding meal period. A twelve (12) minute grace period may be called for production efficiency prior to imposition of any meal penalty. Such grace period shall not be scheduled nor automatic nor is it intended for everyday use. The twelve (12) minute grace period may not be utilized when the meal period has been extended as permitted by subparagraph (c) below. An employee's first meal period shall commence no earlier than two (2) hours after such employee reports for work, except as provided in subparagraph (d) below.

The Producers and the IATSE agree that they will work with the DGA and/or production executives on both the East and West Coasts in an effort to ensure that employees are provided the opportunity to take contractually-prescribed meal breaks. A meeting of representatives of the AMPTP, IATSE and DGA to discuss the provision of meal breaks in a timely manner to employees covered by the Basic Agreement shall take place as soon as practicable but in no event later than January 31, 2022.

Upon the Local Union filing a claim that the Producer has violated the foregoing, it shall immediately notify the designated representative of the Producer. The Local Union and such representative of the Producer shall meet or confer in an attempt to resolve the dispute. In the event that no resolution is reached during such meeting or conference, the Local Union or the Producer may, within three (3) business days, request a hearing before a Special Committee consisting

of three (3) representatives designated by the AMPTP and three (3) representatives designated by the IATSE.

The Special Committee shall investigate the facts of the case and mediate the dispute. In the event that the Special Committee is unable, through mediation, to achieve a resolution satisfactory to all parties, then the Local Union may proceed to arbitration.

In addition, Producers agree that the IATSE may request meetings on a Producer-by-Producer basis to discuss recurring issues with the provision of meal breaks to employees covered by the Basic Agreement.

(c) The meal interval may be extended one-half ( $\frac{1}{2}$ ) hour without penalty when used for wrapping up or to complete the camera take(s) in progress, until print quality is achieved. Such extension shall not be scheduled nor automatic. In the case of Gang Bosses and/or other "Off Production" employees who normally overlap shifts, the meal interval will be extended not to exceed one-half ( $\frac{1}{2}$ ) hour without penalty.

(d) If any member of the company after commencement of work time is given a reasonable hot breakfast, without deducting the time spent in eating (30 minutes) from work time, then the first meal may be six (6) hours after such breakfast, except that when such breakfast is given within one (1) hour of the general crew call (either before or after), the first meal for such employee shall be due at the same time as a meal is due for the general crew. The parties hereby confirm that the reference to "a reasonable hot breakfast" means a meal appropriate to the time of day.

(e) When an "On Production" employee is away from home studio, Producer will supply meals (except when work is at another studio which has adequate meal facilities).

(f) When an "Off Production" employee on a nearby location is required to work where convenient meal facilities are lacking, the Producer will furnish meals unless employee is notified the night before reporting for work that he is to work where such facilities are lacking. However, in no event shall such employee be required to furnish more than one meal per day.

(g) When the Producer furnishes meals to a shooting unit off any lot, and an "Off Production" crew is working on the same site at the same time for the same unit, the Producer will likewise furnish meals to the "Off Production" crew.

(h) (1) (i) Prior to November 21, 2021, except as provided in subparagraph (ii) below, meal penalty for delayed meals shall be computed as follows:

First one-half (1/2) hour meal delay or fraction thereof .....	\$ 7.50
Second one-half (1/2) hour meal delay or fraction thereof .....	\$ 10.00
Third and each succeeding one-half (1/2) hour meal delay or fraction thereof .....	\$ 12.50

(ii) Meal penalty for delayed meals for employees employed on television motion pictures shooting in a studio shall be computed as follows:

First one-half (1/2) hour meal delay or fraction thereof .....	\$ 8.50
Second one-half (1/2) hour meal delay or fraction thereof .....	\$ 11.00
Third and each succeeding one-half (1/2) hour meal delay or fraction thereof .....	\$ 13.50

(2) (i) Effective November 21, 2021, except as provided in subparagraph (ii) below, meal penalty for delayed meals shall be computed as follows:

First one-half (1/2) hour meal delay or fraction thereof .....	\$ 7.50
Second one-half (1/2) hour meal delay or fraction thereof .....	\$ 10.00
Third and fourth one-half (1/2) hour meal delay or fraction thereof .....	\$ 12.50
Fifth and each succeeding one-half (1/2) hour meal delay or fraction thereof .....	\$ 25.00

For any workweek in which an employee is entitled to more than twenty (20) meal period penalties, all subsequent meal period penalties for that employee in that workweek shall be

compensated at one (1) hour of pay at the prevailing rate for each one-half (½) hour of meal delay or fraction thereof.

(ii) Meal penalty for delayed meals for employees employed on television motion pictures shooting in a studio shall be computed as follows:

First one-half (½) hour meal delay or fraction thereof .....\$ 8.50

Second one-half (½) hour meal delay or fraction thereof .....\$ 11.00

Third and fourth one-half (½) hour meal delay or fraction thereof .....\$ 13.50

Fifth and each succeeding one-half (½) hour meal delay or fraction thereof .....\$ 25.00

For any workweek in which an employee is entitled to more than twenty (20) meal period penalties, all subsequent meal period penalties for that employee in that workweek shall be compensated at one (1) hour of pay at the prevailing rate for each one-half (½) hour of meal delay or fraction thereof.

Such allowances shall be in addition to the compensation for work time during the delay and shall not be applied as part of any guarantee.

(i) As an alternative to the foregoing provisions of this Paragraph as they relate to “on production” employees, the Producer, at its option, may institute “French hours” on a daily basis for “on production” employees, with the approval of a majority of the IATSE-represented crew. An employee’s consent to the use of a “French hours” meal system shall not be a condition of employment.

**20.1 Accommodations**

Producer will use every reasonable effort to provide adequate working space to the Costume Designer on the project.

**21. No Clause.**

## **22.1 Use of Personal Vehicle**

Effective November 21, 2021, when an employee uses his or her personal vehicle at the Producer's request to conduct business during the workday within the studio zone or the secondary studio zone (and not for commuting purposes), the Producer shall reimburse the employee for mileage at the then-current IRS rate or shall make other arrangements with the employee for payment as allowed under applicable law (*e.g.*, car allowance). It is understood that if transportation is offered by the Producer, no mileage reimbursement of any kind is required.

## **23-30. No Clauses.**

### **III. DISTANT LOCATION MINIMUM WAGE SCALE**

#### **31. Distant Location Minimum Wage Scale**

(a) “On Call” Employees

Employees hired under the “On Call” schedule shall receive, in addition to their current studio rate, a distant location allowance of six dollars (\$6.00) per diem.

(b) The regular distant location workweek shall consist of any six (6) consecutive days out of any seven (7) consecutive days, commencing with the first of such six (6) days. However, the six (6) consecutive day requirement shall not apply upon the commencement of any regularly-scheduled six-day-per-week shift. (For example, on starting a new shift, a schedule that provides for an employee to work on Monday and Tuesday, with Wednesday as the regular day off, and is followed by work on Thursday through the following Saturday, does not violate the six (6) consecutive days requirement.)

(c) The day of departure and the day of return shall be considered distant location days.

(d) Payment Provisions Applicable to the Sixth and Seventh Days in an Employee’s Workweek on Distant Location and to Partial Workweeks for Employees Hired under the “On Call” Schedule.

(1) Notwithstanding any other provision of this Agreement, the following shall apply to employees hired under the “On Call” schedule with respect to the sixth and seventh days in an employee’s workweek on distant location, whether work is performed or not:

(i) For each sixth day worked in an employee’s workweek during a full six (6) day workweek, employee shall receive an amount equal to one and one-half times one-fifth (1/5) of the “on call” weekly rate in effect in addition to the “on call” salary in effect.

(ii) For each sixth day not worked in an employee’s workweek during a full six (6) day workweek, employee shall receive an allowance equal to one-twelfth (1/12) of the scheduled minimum “on call” weekly rate, plus pension and health contributions for seven (7) hours.

(iii) For each seventh day not worked in an employee’s workweek, employee shall receive an allowance equal to

one-twelfth (1/12) of the scheduled minimum “on call” weekly rate, plus pension and health contributions for eight (8) hours.

(iv) For each seventh day worked in an employee’s workweek, if employee actually performs work at the direction of the Producer, employee shall be paid an additional amount equal to one-third (1/3) of the “on call” weekly rate in effect. Said amount shall be paid in addition to any amount due for the sixth day in the employee’s workweek on distant location pursuant to the above subparagraphs.

The term “rate in effect” means wage scale plus amounts in excess of scale, if any.

Notwithstanding any agreement between employee and Producer, the aggregate compensation paid to such employee shall not be less than the scheduled studio weekly minimum “on call” rate plus any additional compensation due for the sixth or seventh day in the employee’s workweek as required hereinabove and any additional compensation due for work on a recognized holiday as required hereinbelow.

(2) Partial Workweek

In a partial workweek, five (5) days or less, consisting of studio workdays and distant location workdays, studio days shall be prorated at one-fifth (1/5) of the scheduled studio minimum salary rate and distant location days shall be prorated at one-sixth (1/6) of such rate; provided, however, that for any five (5) consecutive days within the same payroll week, an employee shall be paid not less than the scheduled studio minimum salary rate.

(3) “On Call” Employee Work on a Recognized Holiday

If an employee hired under the “On Call” schedule is specifically instructed and required by Producer to perform work on a recognized holiday on distant location, under the direction and control of Producer, Producer shall pay such employee one-sixth (1/6) of his “on call” weekly salary in effect for each such recognized holiday so worked. Said amount shall be payable not later than the second Thursday following the employee’s return to the studio.

(e) Hourly Employees

Studio wage rates and conditions shall apply on distant location; provided, however, the following studio provisions shall not be applicable on distant location:

(1) The sixth day worked in an employee's workweek on distant location is considered a straight time day.

(2) "Night Premiums" (Paragraph 5); and

(3) "Rest Periods" (Paragraph 10)

**32. Minimum Calls and Allowances on Distant Location**

(a) Except as provided in Paragraph 32(b) below, all employees are guaranteed pay for the scheduled minimum call as work time for each day of the regular workweek on distant location.

(b) Daily and weekly employees are guaranteed a four (4) hour straight time pay allowance at the minimum wage rate (not work time) for the sixth or seventh day not worked in the employee's workweek, plus pension and health contributions for eight (8) hours.

(c) Minimum call time and cumulative work time are recognized as work time and employees shall hold themselves in readiness to serve the Producer during such times.

(d) - (g) No Clauses.

(h) The regular pay day will be on Friday for employees working on distant location, provided that the Producer has made accommodations to allow employees to cash their pay checks on that day.

**33-35. No Clauses.**

#### **IV. DISTANT LOCATION DEFINITIONS AND WORKING CONDITIONS**

(Only Paragraphs 36, 37(a), 37(b), 39(a) and 39(f) of this Section IV are applicable to employees hired under the “On Call” schedule.)

##### **36. Distant Locations Defined**

Distant locations are locations on which the employee is required to remain away and be lodged overnight.

##### **37. Traveling Expenses and Accommodations**

###### **(a) Traveling Expenses**

The employee’s necessary traveling expenses, meals and lodging shall be made available at the Producer’s expense. For travel anywhere in the United States, Canada and Mexico, the Producer shall furnish air transportation to and from distant location. For travel outside the United States, Canada and Mexico, employees shall be furnished business class air transportation, except that when business class accommodations are not available, employees shall travel first class. Producer agrees to use its best efforts to furnish and maintain, during travel time, reasonably comfortable riding conditions in the class of transportation provided, avoiding overcrowding and providing proper space for baggage and tools.

Producer will direct the employee that he must use the Producer’s form of transportation to distant location. In those instances in which Producer purchases public air transportation to and from such location site, the Producer agrees to purchase tickets refundable only to Producer.

###### **(b) Accommodations**

Employees on distant location shall be entitled to single room housing when it is reasonably available.

###### **(c) Travel Time for Hourly Employees - Distant Locations**

Hourly employees traveling to and from distant locations shall be paid for travel time in accordance with the industry practice for comparable employees (such as office employees, illustrators, etc.).

##### **38. No Clause.**

### **39. Travel Time, Work-and-Travel Conditions and Pay Provisions**

(a) “On call” employees who travel only to or from distant location shall be paid an allowance of one-sixth (1/6) of the scheduled minimum weekly “on-call” rate for any day so traveled.

(b) - (e) No Clauses.

(f) Travel Insurance

The Producer shall provide accidental death insurance in a sum not less than two hundred thousand dollars (\$200,000) for the benefit of the employee’s designated beneficiary when the employee is required to travel at the request of the Producer in transportation furnished by the Producer.

Employees shall be permitted to fill out a form specifying a beneficiary. Such form shall be filed with the designated representative of the Producer.

An employee, by refusing in good faith to travel by airplane, will not jeopardize his future working opportunities on assignments which do not require travel by airplane.

**40. No Clause.**

**41. Call-backs (Rest Period)**

The following provision applies when employees are employed on a motion picture, program, part of a mini-series or episode of a series which commences principal photography on or after February 13, 2022. Otherwise, Paragraph 41 of the 2018 Agreement shall apply.

(a) Daily Rest Period on Distant Location

(1) The daily rest period shall be nine (9) hours on distant location. If the daily rest period is invaded by no more than one (1) hour, the employee shall be paid additional straight time for all such invaded time. If the daily rest period is invaded by more than one (1) hour, then the penalty shall be as provided in Paragraph 44(c).

(2) When the daily rest period is invaded, intervening time of less than five (5) hours between dismissal and call-back to work shall be work time; intervening time of five (5) or more hours shall not be work time. When intervening time is less than five (5) hours, such time

may be applied as part of the “call-back” guarantee. All employees are paid at their scheduled Regular Basic Hourly Rates.

Minimum Guarantees for “Call-backs” During Daily Rest Period Following Dismissal		
Classification	Any Day Other Than a Holiday or the Seventh Day Worked in an Employee’s Workweek	Seventh Day Worked in an Employee’s Workweek and Holidays*
Daily Employees	4 hours at 1½; 1½ thereafter	3 hours at double time; double time thereafter
Weekly Employees	½ minimum call	½ minimum call

\*The above “call-back” guarantees for holidays and the seventh day worked in an employee’s workweek do not apply when employee reports to work on such days within the appropriate rest period following dismissal from work starting on the previous day. In such event, the “call-back” guarantee is the minimum call in hours as specified in Paragraph 31.

By way of clarification, the parties agree that forced calls are triggered by time worked, rather than time paid.

(b) Weekend Rest Period on Distant Location<sup>5</sup>

Paragraph 10(b) shall apply on distant location, except that weekend rest periods on distant location shall be measured set-to-set or, if the employee is not employed on a set, worksite-to-worksite, meaning the measurement for the weekend rest period shall commence upon dismissal at the set (or at the worksite) and end at call time at the set (or at the worksite).

**42. No Clause.**

**43. Sixth Day Worked on Distant Location**

Subject to any overtime requirements of this Agreement, the sixth day worked in an employee’s workweek on distant location is a straight time day.

---

<sup>5</sup> If the production’s first workweek is a partial workweek, the weekend rest period shall apply as if it were a full workweek.

#### **44. Golden Hours on Distant Location**

(a) No Clause.

(b) The rate for Golden Hours, as defined in Paragraph 11(a)(1), for distant location employment shall be as follows: For such employment occurring on any day other than a holiday or the seventh day worked in an employee's workweek, two (2) times the employee's scheduled Regular Basic Hourly Rate. For such employment occurring on a holiday or the seventh day worked in an employee's workweek, four (4) times the employee's scheduled Regular Basic Hourly Rate.

(c) In addition, except as provided in Paragraph 41 above, Paragraphs 11(b), (c) and (e), as modified in this Paragraph, shall apply.

#### **45. Meal Periods on Distant Location**

(a) Meal periods (not counted as time worked) shall be not less than one-half ( $\frac{1}{2}$ ) hour nor more than one (1) hour. The first meal period after reporting for work shall be called not later than six (6) hours after reporting for work, and subsequent meal periods shall be called not later than six (6) hours after the expiration of the previous meal period, except the interval prior to the last meal period of the day may be extended to six and one-half ( $6\frac{1}{2}$ ) hours without penalty, provided the employee performs no work on the shooting site after such meal. The interval may also be extended one-half ( $\frac{1}{2}$ ) hour when used for wrapping up or to complete the camera take(s) in progress, until print quality is achieved. Such extension shall not be scheduled nor automatic. In addition, a twelve (12) minute grace period may be called for production efficiency prior to imposition of any meal penalty. Such grace period shall not be scheduled nor automatic nor is it intended for everyday use. The twelve (12) minute grace period may not be utilized when the meal period has been extended as permitted above.

Upon the Local Union filing a claim that the Producer has violated the foregoing twelve (12) minute grace period, it shall immediately notify the designated representative of the Producer. The Local Union and such representative of the Producer shall meet or confer in an attempt to resolve the dispute. In the event that no resolution is reached during such meeting or conference, the Local Union or the Producer may, within three (3) business days, request a hearing before a Special Committee consisting of three (3) representatives designated by the AMPTP and three (3) representatives designated by the IATSE.

The Special Committee shall investigate the facts of the case and mediate the dispute. In the event that the Special Committee is unable, through mediation, to achieve a resolution satisfactory to all parties, then the Local Union may proceed to arbitration.

(b) If an employee works less than nine and one-half (9½) hours on a shift, only one meal is to be deducted. If he works nine and one-half (9½) hours or more, more than one meal period may be deducted.

(c) (1) Prior to November 21, 2021, meal penalty for delayed meals shall be computed as follows:

First one-half (½) hour meal delay or fraction thereof.....	\$ 7.50
Second one-half (½) hour meal delay or fraction thereof.....	\$ 10.00
Third and each succeeding one-half (½) hour meal delay or fraction thereof .....	\$ 12.50

(2) Effective November 21, 2021, meal penalty for delayed meals shall be computed as follows:

First one-half (½) hour meal delay or fraction thereof.....	\$ 7.50
Second one-half (½) hour meal delay or fraction thereof.....	\$ 10.00
Third and fourth one-half (½) hour meal delay or fraction thereof .....	\$ 12.50
Fifth and each succeeding one-half (½) hour meal delay or fraction thereof .....	\$ 25.00

For any workweek in which an employee is entitled to more than twenty (20) meal period penalties, all subsequent meal period penalties for that employee in that workweek shall be compensated at one (1) hour of pay at the prevailing rate for each one-half (½) hour of meal delay or fraction thereof.

Such allowance shall be in addition to the compensation for work time during the delay and shall not be applied as part of any guarantee.

(d) If any member of the company after commencement of work time is given a reasonable hot breakfast, without deducting the time spent in eating (30 minutes) from work time, then the first meal may be six (6) hours after such breakfast, except that when such breakfast is given within one (1) hour of the general crew call (either before or after), the first meal for such employee shall be due at the same time as a meal is due for the general crew. The parties hereby confirm that the reference to a “reasonable hot breakfast” means a meal appropriate to the time of day.

(e) As an alternative to the foregoing provisions of this Paragraph as they relate to “on production” employees, the Producer, at its option, may institute “French hours” on a daily basis for “on production” employees, with the approval of a majority of the IATSE-represented crew. An employee’s consent to the use of a “French hours” meal system shall not be a condition of employment.

#### **46. Night Premiums on Distant Location**

There are no night premiums on distant location.

#### **47-50. No Clauses.**

### **V. GENERAL CLAUSES**

#### **51. Hazardous Work**

The employee selected to perform hazardous work and Producer are to negotiate and agree upon a rate in advance for such work and, if no agreement is so reached, the employee will not jeopardize working opportunities by refusing to perform work that is considered hazardous. The employee may request the assistance of the Business Representative of the Union in such negotiations.

When an employee covered by this Agreement is working in close proximity and is exposed to the same hazard with the same degree of risk to which another employee covered by the Basic Agreement is exposed who has negotiated a hazardous pay adjustment, the employee covered by this Agreement is entitled to that same hazard pay adjustment. In all other hazardous work situations, the amount of such adjustment shall be the subject of individual negotiations.

If an employee is required to sign a waiver due to hazardous conditions for any state or governmental agency or owner of private property and refuses to sign such waiver, such employee may be

replaced, but such refusal shall not limit such employee's future employment opportunities with Producer.

When Producer knows in advance that such a waiver is required, Producer will advise the Union of the situation.

**52. Allowances for Hazardous Work**

The following allowances shall be paid for hazardous work:

For taking motion pictures on aerial flights or submarine diving, employee shall receive sixty dollars (\$60.00) per flight or dive, but with a maximum of payment in a single shift of one hundred eighty dollars (\$180.00).

**53. Abnormally Cold or Wet Work**

Producer will provide suitable wearing apparel for abnormally cold or wet work.

**54. Overscale Employees**

Rates of pay of overscale employees shall not be reduced by reason of this wage agreement.

**55-56. No Clauses.**

**57. Earnings Reports**

At the end of each quarter, the Producer will submit a list of its employees subject to this Agreement, showing each employee's earnings for that quarter.

**58. Personal Service Contracts**

Any personal service contract entered into between Producer and Costume Designer shall conform, at least, to the terms and conditions of this Agreement, except as hereinafter expressly provided. The agreed-upon compensation set forth in a personal service contract with a Costume Designer may include and be in lieu of vacation pay, holiday pay, pay for the sixth and/or seventh day worked in an employee's workweek, and severance pay called for by this Agreement, provided, however, that it is clear from the terms of the personal service contract that said benefits were expressly intended to be covered by the agreed-upon compensation set forth in the personal service contract.

Producer shall supply a fully-executed copy of any personal service contract entered into with an employee subject to this Agreement to both the employee and the Guild.

**59. Studio Pass**

The duly authorized Business Representative of the Union shall be furnished a pass to the studio. He shall be permitted to visit any portion of the studio, lot or ranch necessary for the proper conduct of the business of the Union during working hours.

**60. Stewards**

The Guild may designate or redesignate, as the case may be, an employee subject to this Agreement as a Steward to inspect all working conditions affecting the terms of this Agreement. It shall be the responsibility of the Steward to settle minor grievances with the designated representative of the Producer and, in the event such grievance cannot be adjusted, to notify the Business Representative. The Steward so designated shall be permitted to perform these duties, but such duties shall not unduly interfere with his work.

**61. No Clause.**

**62. Safety**

(a) It is agreed by the parties that too great an emphasis cannot be placed on the need to provide a safe working environment. In that context, it shall be incumbent on each employer (herein referred to as the Producer) to furnish employment and a place of employment which are safe and healthful for the employees therein; to furnish and use safety devices and safeguards, and adopt and use practices, means, methods, operations and processes which are reasonably adequate to render such employment and place of employment safe and healthful; to do every other thing reasonably necessary to protect the life, safety and health of employees. Correspondingly, no employer shall require or permit any employee to go or be in any employment or place of employment which is not safe and healthful. In addition, every employer and every employee shall comply with occupational safety and health standards and all rules, regulations and orders pursuant to applicable laws which are applicable to his own actions and conduct; no person (employer or employee) shall remove, displace, damage, destroy or carry off any safety device, safeguard, notice or warning, furnished for the use in any employment or place of employment; no person shall interfere with the use of any method or process adopted for the protection of any

employee, including himself, in such employment or place of employment.

(b) Rigid observance of safety regulations must be adhered to and willful failure of any employee to follow safety rules and regulations can lead to disciplinary action including discharge; however, no employee shall be discharged or otherwise disciplined for refusing to work on a job that exposes the individual to a clear and present danger to life or limb, or for making a good faith report to the First Assistant Director, the Unit Production Manager or his or her supervisor relating to the safety of another employee exposed to a clear and present danger to life and limb. No set of safety regulations; however, can comprehensively cover all possible unsafe practices of working. The Producer and the Union therefore undertake to promote in every way possible the realization of the responsibility of the individual employee with regard to preventing accidents to himself or his fellow employees. For purposes of this Paragraph 62(b), the question of whether an employee has made a report in good faith is subject to the grievance and arbitration procedure set forth in Article 7 of this Agreement.

(c) It is also agreed that when unresolved or continuing disputes exist regarding Safety and Health compliance, non-compliance or interpretation therein of Title 8, Chapter 4, Subchapter 7, General Industry Safety Orders, said disputes shall be referred to the AMPTP and CSATF-administered Labor-Management Safety Committee for review, investigation, interpretation and advisory recommendations to the Employer(s). The CSATF-administered Labor Management Safety Committee is the industry-wide Safety Committee consisting of the IATSE and its West Coast Studio Local Unions, the Basic Crafts Unions, the Screen Actors Guild–American Federation of Television and Radio Artists, the Directors Guild of America and representatives of the Producers. It is understood that it is not the responsibility of the Safety Committee, or any member of the Committee, the IATSE or its Local Unions, the Basic Crafts, CSATF or the AMPTP to implement or comply with any such recommendations.

(d) The Labor-Management Safety Committee shall meet at least once a month.

(e) The cost of the Labor-Management Safety Committee will be borne by CSATF.

(f) A separate bulletin shall be issued by the AMPTP to provide the following:

(1) The Producers reaffirm their commitment to regularly inspect the studio working areas and to establish preventive maintenance procedures to assure safe working conditions.

(2) Complaints of unsafe conditions will be promptly investigated by the Producer and appropriate action will be taken if the Producer finds that an unsafe condition does exist.

(3) Each Producer will designate an individual as the responsible safety officer for its respective studio, facility, laboratory or location site. Except on location, each safety officer will have a well-publicized "hot-line" phone number which employees can anonymously call to alert management to any existing safety problems which may require correction.

(4) The Producers will provide access to all working areas to the Safety Director of CSATF so that he will periodically inspect same.

(5) Communication regarding safety policy will be made available to all affected employees directly or by posting on bulletin boards.

(g) Concerns stemming from the use of smoke on sets shall be referred to the industry-wide Safety Committee for resolution.

**63-65. No Clauses.**

**66. Non-Discrimination**

The parties agree to continue to comply with all applicable federal and state laws relating to non-discriminatory employment practices.

Claims alleging a violation of this "Non-Discrimination" provision are not subject to arbitration, but are instead subject to non-binding mediation.

**67. Foremen and Supervisory Employees**

Notwithstanding anything contained in the Constitution and By-laws of the Union, or in the obligation taken by a person upon becoming a member of the Union, or otherwise, which directly, indirectly or impliedly places upon a foreman (or any person who is a supervisory employee within the meaning of that term as set forth in the Labor Management Relations Act of 1947, as amended), the duty or obligation to accord an unlawful employment preference to members of the Union,

such foreman or supervisory employee shall not give or recommend any unlawful employment preference and the Union shall not in any manner discipline or threaten with discipline any such foreman or supervisory employee for failing or refusing to give or recommend any such unlawful employment preference.

**68. Preference of Employment**

The Producer, in the hiring of Costume Designers, shall give preference of employment to qualified Costume Designers. For purposes of this provision only, a “qualified Costume Designer” is defined as a person who has had prior employment as a Costume Designer in the production of a motion picture (as defined in the Producer - I.A.T.S.E. and M.P.T.A.A.C. Basic Agreement), television or legitimate theatre at least once during a period of three (3) years prior to the date of the proposed employment. For these purposes, screen credit alone shall not be determinative proof of such prior employment.

In order to assist the Producer in locating qualified Costume Designers, the Guild will, on a current basis, supply to the Producer an availability list containing the names of currently available qualified Costume Designers. Prior to selecting a Costume Designer for a production, the Producer will give good faith consideration to the Costume Designers on the current availability list supplied by the Guild. The decision as to whether or not to employ a person from said availability list shall be in the sole discretion of the Producer.

The foregoing preference of employment requirement shall not apply to the employment of a person who: (a) has had sufficient training and/or experience so as to qualify for a career as a professional Costume Designer, and (b) such person intends to be currently available for employment in the motion picture industry.

The parties hereby confirm that an employee on permanent disability status with one Producer may not work for another Producer in the same craft.

**69. No Clause.**

**70. Reporting of Accidents**

The nature and place of hospitalization of all accident cases requiring hospitalization shall be reported to the Union as soon as practicable after the accident. An employee who is injured while at work hereunder shall be credited with not less than a minimum call on the day of such injury.

## 71. Employees in the Armed Services

Recognizing the moral and legal responsibility to the employees subject to this Agreement who have entered into the Armed Services, the Producer and the Union agree that they have a joint responsibility (subject to the then-existing statutes) in the reinstatement of such employees to the jobs such employees held prior to their entry into the Armed Services.

Producers and the Union agree that employees temporarily holding such jobs will be displaced by such returning employees.

## 72. Vacations

Vacations with pay will be allowed to employees not under a written personal service contract as follows:

### (a) Daily Schedule Employees

(1) Vacation pay for a person employed solely under a Daily Schedule shall be computed at the rate of four percent (4%) of total annual earnings for those hours worked at straight time, including hours worked on night premiums at straight time and hours paid as vacation time, during the employee's personal income tax reporting year.

(2) Employees must actually take time off from work for paid vacations in accordance with the following schedule:

\*For vacation purposes only, full six-day weekly schedule workweeks on distant location shall be credited as five (5) days worked.

In addition, one (1) workday shall be counted for each paid vacation day.

\*\*Employees who are employed less than twenty-one (21) days and who do not qualify for a day's vacation pay under this provision shall be paid vacation pay as follows:

Daily Schedule Employment: 4% of straight time earnings including hours worked on night premiums at straight time.

Weekly Schedule Employment: 4% of guaranteed weekly earnings.

(c) To determine, for vacation purposes, the number of days worked in any workweek, the following formulae shall be used:

(1) Daily Schedule Employees (who also worked under a weekly schedule in the preceding year):

Studio Employment

$\frac{5}{40}$  x Total hours worked at straight time (including hours worked on weekday night premiums) to a maximum of 40 hours.

(2) "On Call" Weekly Employees:

Days worked are equal to the number of days paid for days other than the sixth and seventh days worked in the employee's workweek.

(d) To determine, for vacation purposes, the rate at which each vacation day shall be paid, the following formulae shall be used:

(1) Weekly Schedule Employees, including Daily Schedule employees, who also worked under a weekly schedule in the preceding year: one (1) day is equal to eight (8) hours average pay at straight time.

(2) Rates of pay shall be those in effect during the year in which the vacation is earned ("preceding year").

(3) “On Call” Weekly Schedule Employees: One (1) day is equal to pay of one-fifth (1/5) of weekly rate in effect at start of vacation.

(e) Additional Vacation Provisions

The following additional vacation provisions shall apply to Weekly or Daily Schedule employees who meet the necessary eligibility qualifications:

(1) Eligibility Requirements

Commencing with vacations earned in the year 1979 and payable in the year 1980 and thereafter, eligible employees shall be those employees who actually worked for Producer for eight (8) consecutive “eligible” years, with an aggregate of not less than 1,600 “straight time” days worked with Producer in such eight (8) years.

As used in this provision, the term “year” shall mean the employee’s personal income tax earnings year (also hereinafter referred to as “tax year”); the term “eligible year” shall mean a tax year in which the employee worked one hundred (100) or more “straight time” days for Producer;<sup>6</sup> the term “straight time” days shall be deemed to include the five (5) or six (6) days of employment, as the case may be, specified under the respective five (5) or six (6) day cumulative weekly schedules.

Any tax year in which the employee actually works less than one hundred (100) “straight time” days for Producer shall be excluded in computing the required eight (8) “eligible” tax years, and the “straight time” days worked in such year shall not be counted in computing the required aggregate of 1,600 “straight time” days to be worked in such eight (8) tax years.

Employees who fail to work more than one hundred (100) “straight time” days for such employer in each of any two (2) consecutive tax years shall, at the end of such second year, be considered new employees hereunder with no previous employment credit with Producer for the purpose of establishing the above eligibility

---

<sup>6</sup> The term “eligible year” shall be applied in the following manner with respect to calendar year 1988 to take account of the WGA strike: As to calendar year 1988 only, an employee shall be deemed to have an “eligible year” if he has worked at least seven-twelfths (7/12) of the number of days otherwise required under Paragraph 72(e) to attain an eligible year. Thus, any employee who has worked 58 or more “straight time” days for Producer during calendar year 1988 shall be deemed to have an “eligible year” for purposes of the additional vacation provision.

requirements. Provided, however, that in determining such two (2) consecutive years, no year shall be included (and the “straight time” days worked in such year shall not be counted for any eligibility purposes hereunder) in which the employee could not work one hundred (100) “straight time” days for Producer due to either or both of the following:

(i) The period of recorded leaves of absence granted by Producer;

(ii) For the period during which the employee was absent and physically unable to work for Producer solely as a result of an “industrial accident” occurring to such employee while employed by Producer.

## (2) Vacation Days and Pay

Commencing with October 26, 1955, such weekly or daily employees who become eligible on or after such date, as above provided, shall, beginning with the date they so become eligible, earn with Producer fifty percent (50%) more in vacation time and money based upon the applicable weekly or daily employee<sup>7</sup> vacation schedule set forth above; any such employee shall be limited to earning a maximum of only fifteen (15) days vacation per year. Provided, that for the remainder of any such tax year in which such an employee becomes eligible, he shall only earn additional vacation time and money, as above provided, based solely on the “straight time” days he worked for Producer after he so became eligible and within the remaining portion of each year, to be computed separate and apart at the rate of one-half of the vacation benefit specified under the above applicable daily or weekly vacation schedule.

## (3) Loss of Eligibility

Employees who become eligible, as above provided, but who thereafter either resign from employment with Producer or fail to work for Producer more than one hundred fifty (150) “straight time” days<sup>8</sup> in any one (1) tax year shall, as of the last day of such tax year or, in the case of resignation, the date of such resignation, lose such

---

<sup>7</sup> Vacation pay for such employee employed solely under a daily schedule shall be computed at the rate of 6.2762% instead of 4% as set forth in subparagraph (a)(1), above, of this Paragraph 72.

<sup>8</sup> For purposes of calendar year 1988, the “more than one hundred fifty (150) ‘straight time’ days” requirement shall be reduced to “more than eighty-eight (88) ‘straight time’ days” to take account of the WGA strike.

eligibility and right to earn the additional vacation days and pay above provided; in such event, they shall thereupon be considered new employees hereunder with no previous employment credit with Producer for the purpose of subsequently establishing the above eligibility requirements.

In determining whether any employee loses his eligibility for failure to work for Producer more than one hundred fifty (150) “straight time” days in a tax year, as above provided, no such year shall be counted for this purpose in which the employee could not work at least one hundred fifty-one (151) “straight time” days for Producer due to either or both of the following:

(i) The period of recorded leaves of absence granted such employee by Producer;

(ii) The period during which such employee was absent and physically unable to work for Producer solely as a result of an “industrial accident” occurring to him while employed by Producer.

(4) Eligibility Credit

For the purposes of determining “eligible” years and “loss of eligibility” only, as above provided, employees who leave the employ of Producer to perform military service and who remain in the Armed Forces of the United States in accordance with the applicable National Selective Service Act (or other subsequently enacted comparable national legislation then in effect pertaining to such service), shall be credited as having worked for Producer the number of applicable days the employee would normally have been employed by Producer for “straight time” days in each workweek of the period of such service.

(f) Daily and Weekly Schedule Employees

(1) Vacations are earned in one personal income tax earnings year and are paid for in the succeeding calendar year.

(2) Vacations shall not be cumulative between calendar years and shall be taken at times approved by the Producer.

(3) Days that would otherwise constitute the sixth or seventh day worked in an employee’s workweek and holidays occurring during vacation periods are not counted as days granted.

(4) When any portion of the vacation period is less than a full payroll week, by mutual agreement between the Producer and the employee, the Producer may grant leave of absence without pay for the remaining fractional portion of the payroll week.

(5) Eligible employees who are no longer employed at the beginning of the calendar year in which their vacation pay for the preceding year is payable may obtain such vacation pay at any time subsequent to March 15 by notifying the Producer of their desire to obtain such vacation pay. Such notice shall set forth a date on or subsequent to the date of notice for the commencement of the period to which such vacation pay shall apply. The designation of such commencement date shall be at the sole discretion of such employees, and the Producer agrees to pay such employees the vacation pay due on or prior to such commencement date, but in no event shall the Producer be obligated to make such payment prior to March 15.

(6) In the event of a layoff, an employee eligible for vacation shall not be required to take vacation at time of layoff.

(7) Each eligible employee shall, if he so desires, submit to his department head, prior to June 1st, three (3) vacation dates in the order of his preference. In the event that none of the three (3) preferential dates is granted, the department head may establish date of vacation if conditions permit. However, he shall give any such employee not less than one week's notice as to date of vacation unless, upon the request of the employee, it is otherwise mutually agreed. Employees who do not submit preferential dates shall receive vacations on dates subject to the discretion of the department head.

(8) Producer shall pay an eligible employee his vacation pay check not later than noon of the pay day preceding the commencement day of his vacation, provided the employee has made a request to Producer for such vacation check at least one (1) week prior to such pay day preceding the commencement of such vacation.

(9) If a successor company buys out Producer and continues the operation of Producer's studio, and if the buying company continues the employment at the studio of an employee of Producer, such employee shall retain with the buying company his appropriate vacation pay experience credit accrued with the selling company. If such employee is not so continued in employment by the buying company, then only Producer is responsible for any vacation pay due the employee at the time of his termination. If such employee is offered employment by the buying company, but elects not to continue his

employment with the buying company, he shall be entitled to his accrued vacation pay from Producer.

(10) Presentation of Claim for Vacation and/or Holiday Pay

(i) Producers that currently pay for vacations and/or holidays on a weekly basis shall continue to adhere to their existing practice. Producers that currently make vacation and/or holiday payments pursuant to subparagraph (f)(10)(ii) below may instead elect on a production-by-production basis to pay on a weekly basis.

(ii) Producers that currently pay for vacations and/or holidays at the end of the calendar year shall elect one of the following procedures for employees on layoff and for employees on payroll:

(A) With respect to employees on layoff:

(1) On or after March 15 of the year following the calendar year in which vacation and/or holiday pay was earned, the Producer shall either:

(a) Mail or deliver to such employee his vacation and/or holiday pay; or

(b) Notify each such employee that he should claim his vacation and/or holiday pay pursuant to the provisions of this Agreement.

(2) In the event the Producer mails the employee's vacation and/or holiday paycheck and it is returned or if the employee fails, within thirty (30) days following the date of mailing of the notice referred to in subparagraph (f)(10)(ii)(A)(1)(b) above, to claim his/her vacation and/or holiday pay, the Producer shall notify the Local Union of the names of those employees who have not claimed vacation and/or holiday pay. In the case of employees whose checks were returned, the Producer shall also forward the returned check(s) to the Local Union.

(3) The Local Union shall endeavor to locate any employee who has not claimed his vacation and/or holiday pay. If it does so, it shall forward to the employee his check or otherwise advise the employee of the department of the Producer to contact to claim such pay.

(4) If the Local Union is unable, within thirty (30) days following its receipt of the notice referred to in

subparagraph (f)(10)(ii)(A)(2) above, to locate such employee(s), the Local Union shall so advise the Producer and return any unclaimed check(s) to the Producer.

(5) On or about March 15 of the second calendar year following the year in which vacation and/or holiday pay was earned (“the second calendar year”), employees who have not claimed their vacation and/or holiday pay will be notified that unless claimed by July 15 of that year, such pay will be sent to the Motion Picture Industry Pension Plan. On or about May 15 of the second calendar year, Producer will furnish to the Local Union a list showing the names of those employees who have not claimed vacation and/or holiday pay and the amount of holiday and/or vacation pay due to each, together with a notice that unless claimed by July 15, such holiday and/or vacation pay will be sent to the Motion Picture Industry Pension Plan.

(6) On or about July 15 of the second calendar year, unclaimed vacation and/or holiday pay will be contributed to the Motion Picture Industry Pension Plan and credited to the appropriate employee pension plan account. Money so contributed shall not be returned to the employee and shall fully discharge the Producer’s and the Local Union’s obligations hereunder to the employee with respect to the payment of vacation and/or holiday pay.

(B) With respect to employees on payroll:

(1) On or after March 15 of the year following the calendar year in which vacation and/or holiday pay was earned, the Producer shall either:

(a) mail or deliver to such employee his vacation and/or holiday pay; or

(b) notify each such employee that he should request holiday pay pursuant to the provisions of this Agreement and schedule his vacation according to this Agreement.

(2) In the event the employee fails to request such holiday pay and/or to schedule his vacation within thirty (30) days after the date of mailing of the notice referred to in subparagraph (f)(10)(ii)(B)(1)(b) above, the Producer shall notify the Local Union of the names of those employees who have not claimed such pay and/or scheduled their vacation.

(3) The Local Union shall, within thirty (30) days after receipt of the notice referred to in subparagraph (f)(10)(ii)(B)(2) above, endeavor to notify the employee and advise him to claim holiday pay and to schedule his vacation.

(4) On or about March 15 of the second calendar year, employees who have not claimed their vacation and/or holiday pay will be notified that unless claimed by July 15 of that year, such pay will be sent to the Motion Picture Industry Pension Plan. On or about May 15 of the second calendar year, Producer will furnish to the Local Union a list showing the names of those employees who have not claimed vacation and/or holiday pay and the amount of vacation and/or holiday pay due to each, together with a notice that unless claimed by July 15, such holiday and/or vacation pay will be sent to the Motion Picture Industry Pension Plan.

(5) On or about July 15 of the second calendar year, unclaimed vacation and/or holiday pay will be contributed to the Motion Picture Industry Pension Plan and credited to the appropriate employee pension plan account. Money so contributed shall not be returned to the employee and shall fully discharge the Producer's and Local Union's obligations hereunder with respect to the payment of vacation and/or holiday pay.

(iii) New signatory Producers shall adhere to the practice of paying vacation and/or holiday pay currently on a weekly basis unless other arrangements are made by them with the IATSE.

### **73. Jurisdictional Disputes**

The Union agrees to cooperate in good faith with the Producer and other Local Unions in the industry in working out a method for the determination of jurisdictional disputes without work stoppages.

Appropriate clauses shall be incorporated in this Agreement to cover any method or means that shall be agreed upon.

#### **73.1 Letter of Understanding re Procedure for Implementing Paragraph 73**

(a) If a jurisdictional dispute should arise between or among the West Coast Studio Local Unions, it will be submitted to the IATSE for resolution.

(b) Prior to rendering a decision thereon, the IATSE shall notify the AMPTP of the existence of the dispute and, upon request of the

AMPTP, shall consider the position of the Producer concerning the dispute.

(c) In the event that the AMPTP disagrees with the IATSE decision as to which Local should be assigned the work, the IATSE agrees to meet with the AMPTP in a good faith effort to resolve the question.

### **73.2 Handling of Disputes over “Copying” or “Redesign” Work**

(a) Disputes over the assignment of alleged “copying” or “redesign” work to persons employed under the Local 705 or Local 892 Agreements shall be handled in the following manner:

(1) Representatives of the Producer, Local 705 and Local 892 shall meet as a tripartite committee in an effort to resolve any such dispute. All such disputes shall be referred to this committee.

(2) If the committee unanimously agrees that the Producer has incorrectly assigned the work in dispute, then the remedy for such violation shall be the difference between the then-current weekly rate (*i.e.*, the rate in effect at the time the work was performed) of a Costume Designer and the then-current weekly rate (*i.e.*, the rate in effect at the time the work was performed) of a Costumer (Occ. Code #2305).

(3) In the event that the committee is unable to resolve the dispute or if the aggrieved Local Union believes that the remedy provided in subparagraph (2) is inadequate, then the aggrieved Local Union and/or the Producer shall have the right to submit the dispute to the President of the AMPTP and the President of the IATSE for a final and binding decision, which shall be issued in writing, as to whether the work in dispute was appropriately assigned. The Presidents shall jointly have the right to award an appropriate remedy as to any or all the parties.

### **74. Severance Pay**

#### **(a) General**

(1) (i) An employee employed by the Producer under this Agreement or its predecessor agreements for one or more qualified years (as defined in subparagraph (f) hereof) whose employment is severed after August 1, 2021; or

(ii) an employee who had at least one (1) qualified year (as defined in Paragraph 74(f) of this Agreement) as of August 1, 1985 who has made the required application for retirement to the Motion

Picture Industry Pension Plan at least sixty (60) days prior to retiring or has made the required application for retirement to any private retirement plan referred to in Article XV of the Trust Agreement of the Motion Picture Industry Pension Plan and who retires

shall receive the applicable severance pay set forth below (as modified by subparagraphs (c) and (d) hereof) unless such employee is disqualified for severance pay purposes pursuant to subparagraph (e) hereof.

Qualified Years	Number of Weeks of Severance Pay
1-2	1
3-4	2
5-8	3
9	4
10	5
11-12	6
13-14	7
15	8
16	9
17	10
18	11
19	12
20	13

The rate at which severance pay is payable shall be determined in the same manner as the rate at which vacation pay is determined under the vacation pay provisions of this Agreement; provided, however, that the base period used in computing the employee's average earnings shall, for the purpose of severance pay, be based on the twelve (12) consecutive month period ending on the date of severance, instead of the employee's personal income tax earnings year used in computing vacation pay.

(2) Ninety (90) elapsed days after severance occurs such employee shall be entitled to:

(i) one (1) week of said severance pay if he has two (2) or less qualified years as of date of severance;

(ii) two (2) weeks of said severance pay if he has three (3) or more qualified years as of date of severance; provided,

however, such employee shall not receive such severance pay if within such ninety (90) day period he receives the following employment by Producer:

(A) five (5) days' employment, not necessarily consecutive, if he has one (1) or two (2) qualified years as of the date of such severance;

(B) eight (8) days' employment, not necessarily consecutive, if he has three (3) qualified years as of the date of such severance;

(C) ten (10) days' employment, not necessarily consecutive, if he has four (4) or more qualified years as of the date of such severance.

(3) If such employee entitled to severance pay after ninety (90) elapsed days has five (5) or more qualified years as of the date of severance, he shall be entitled to the balance of his accrued severance pay ninety (90) elapsed days following the completion of the first ninety (90) day period, unless during the second ninety (90) day period he receives fifteen (15) days' employment by Producer, not necessarily consecutive.

(4) Notwithstanding the provisions of subparagraphs (2) and (3) above, an employee who retires in accordance with subparagraph (a)(1)(ii) above shall receive severance pay within thirty (30) days following his retirement.

(b) Payment of Full Severance Pay

Once an employee has received full accrued severance pay, pursuant to subparagraph (a) above, he shall thereafter be a new employee for severance pay purposes and future computation of qualified years shall apply only to employment by Producer, if any, after the receipt of such full severance pay.

An employee who retires pursuant to subparagraph (a)(1)(ii) above and receives his full accrued severance pay shall be removed from the Industry Experience Roster and the Studio Seniority Roster of the Producers.

(c) Offset

If an employee on the date of severance of employment with Producer after January 31, 1961 would otherwise already have five (5)

or more qualified years with Producer, he shall be entitled to the total number of weeks of severance pay, as provided in (a) above, less an “offset” in the number of weeks of any severance pay he received from Producer before January 31, 1961 in connection with employment which is considered in the computation of such qualified years or with “bridged” years as referred to in subparagraph (f) hereof. This “offset” shall apply only towards payments due after the completion of the second of two ninety (90) day periods referred to in subparagraph (a)(3) above. In this instance, payment by Producer of full severance pay to employee prior to January 31, 1961 shall not break the employee’s employment with such Producer for purposes of computing consecutive qualified years hereunder.

(d) Reduction of Severance Pay Amounts

Any severance pay paid to an employee after January 31, 1961 shall correspondingly reduce the total number of weeks of severance pay to which he is thereafter entitled before again becoming a new employee hereunder. An employee who receives or has received full severance pay hereunder after January 31, 1961 shall be considered to be a new employee thereafter for severance pay purposes.

(e) Disqualification for Severance Pay

Employees hereunder shall be disqualified for severance pay in accordance with the provisions of subparagraphs (1) and (2) below.

(1) Refusal of Offers of Employment

If an employee rejects an offer of employment from Producer hereunder during either of the ninety (90) day periods referred to in subparagraph (a)(3) hereof, such employee shall lose his qualification for severance pay and, if subsequently rehired, shall be rehired as a new employee for severance pay purposes. If any employee was not available or could not be reached when called for work by Producer, he shall be deemed to have rejected an offer of employment; provided, however, that:

(i) Producer shall be obligated, in the event of such rejection or unavailability, to notify the Union on the same day by telephone unless the Union office is not open, in which case such notification must be made on the next following workday, and to confirm such call by letter posted on the day of such notification to the Union.

(ii) If Producer is unable to reach the employee (including such inability to reach because no one answers employee's telephone), Producer shall be obligated to telephone the Union and request the Union to make the call, in which event the Union shall either promptly confirm to the Producer by telephone its inability to reach the employee or advise the Producer by telephone that it has reached the employee and of the results of such call.

(iii) It is recognized that in certain circumstances it may be difficult for an employee to accept a call immediately when he is currently employed at another studio. It is further recognized that in certain circumstances it may be difficult for the employee, as well as a hardship to the studio at which he is then employed, to be required to accept a call immediately without any notice to his then present employer. It is believed that in the great majority of cases reasonable consideration would be given so that the employee would not lose his severance pay credits. To this end, it is the intent of the parties hereto that if an employee who is qualified for severance pay has been laid off by a studio and, within either of the ninety (90) day periods referred to, such studio recalls the employee at a time when such employee is unable to accept such recall because of other employment in the motion picture industry, then either of such ninety (90) day periods shall be deemed extended by a period equivalent to the period of employment for which the employee was being recalled, but in no event to exceed twenty (20) days. In the event such employee is again recalled within either of the ninety (90) day periods and does not accept such recall because of other employment in the motion picture industry, or for any other reason except as otherwise herein provided, then such employee shall lose his qualification for severance pay and, in the event he is subsequently rehired by the Producer, then such rehire shall be as a new employee for severance pay purposes, except that if the employee's call was on a daily basis, there may be two (2) extensions of either of the ninety (90) day periods by reason of inability to accept calls because of employment elsewhere in the motion picture industry.

(iv) If the employee is unavailable to accept such recall because of employment outside the motion picture industry at the time of such recall, he shall have a maximum of two (2) days after the date of such recall to make himself available and, if he fails to do so, then such employee shall lose his qualification for severance pay and, if he is subsequently rehired, shall be a new employee for severance pay purposes.

(2) Severance Beyond Control of Producer

In the event any severance is the result of a dismissal due to seniority requirements, a voluntary resignation or a layoff as a result of physical incapacity, epidemic, fire, action of the elements, strike,<sup>9</sup> walkouts, labor dispute, governmental order, court order or order of any other legally constituted body, act of God, public enemy, war, riot, civil commotion or for any other cause beyond the control of the Producer, whether of the same or any other nature, the employee shall not be entitled to any severance pay arising out of the completion of both of the ninety (90) day periods following such severance. In the event any severance is the result of dismissal for cause, the employee so severed shall be disqualified for severance pay.

(f) Qualified Years

As used herein, the term “qualified years,”<sup>10</sup> with respect to any employee, shall refer to the number of consecutive periods of three hundred sixty-five (365) consecutive days each, calculated backward from the date of his severance, in each of which the employee has been employed by Producer for two hundred (200) or more work days (including paid vacation days as work days); it being understood and agreed that if, in any such three hundred sixty-five (365) day period, such employee was employed for less than two hundred (200) work days by Producer, such three hundred sixty-five (365) day period shall not be counted as a qualified year but shall be “bridged” for severance pay purposes, with the result that any such three hundred sixty-five (365) day period or periods prior to such “bridged” year in which employee was employed by Producer for two hundred (200) or more work days shall be counted as a qualified year; provided, however, that any three hundred sixty-five (365) day period in which employee received any authorized leave of absence without pay shall be extended by the length of such leave and provided, further, that the computation of qualified years shall be subject to the following exceptions:

---

<sup>9</sup> The 1988 strike by the Writers Guild of America shall not be considered a disqualifying event for purposes of severance pay. Instead, any periods provided in Paragraph 74 shall be tolled for the duration of the WGA strike (March 7, 1988 through August 7, 1988).

<sup>10</sup> The definition of a “qualified year,” for purposes of this Paragraph 74(f), shall be applied in the following manner with respect to calendar year 1988 to take account of the Writers Guild of America strike: As to calendar year 1988 only, an employee shall be deemed to have a “qualified year” if he has worked at least seven-twelfths (7/12) of the number of days otherwise required under this Paragraph to attain a “qualified year.” Thus, any employee who has worked one hundred seventeen (117) or more work days during calendar year 1988 shall be deemed to have a “qualified year” for purposes of this provision.

(1) If an employee is determined to have less than two (2) qualified years, he shall be credited with a qualified year only if, in addition to having been employed for at least two hundred (200) or more days in the three hundred sixty-five (365) days immediately preceding his date of severance, he shall have been employed for at least one (1) day during the first six (6) months of the eighteen (18) month period immediately preceding his date of severance, in which case he shall be credited with one (1) qualified year.

(2) Any period of two hundred seventy (270) consecutive days commencing prior to January 31, 1961 in which such employee was not actually employed by Producer will be deemed to have broken the employment record of such employee and no period prior to the completion of such two hundred seventy (270) days shall be considered in determining qualified years of such employee.

(3) With respect to any severance of employment of an employee which occurred between February 1, 1961 and January 31, 1965, both dates inclusive, the passage of two hundred seventy (270) days following such severance in which such employee was not employed and did not receive an offer of comparable employment under the terms and conditions specified in the predecessor collective bargaining agreement of this Agreement shall result in his being a new employee for severance pay purposes upon the completion of such two hundred seventy (270) day period.

(4) If an employee on the date of the severance of his employment under this Agreement after January 31, 1961 with Producer would otherwise have had one (1), two (2), three (3) or four (4) consecutive "qualified years" with Producer, but had received full severance pay prior to February 1, 1965, then he shall be deemed to be a new employee for severance pay purposes after being rehired and the applicable consecutive qualified years shall be based and computed only upon his employment with Producer after he so became such a new employee.

(g) Severance Obligation of Successor Company

If a successor company buys out Producer and continues the operation of Producer's studio, and if the buying company continues the employment at the studio of an employee of Producer, such employee shall retain with the buying company his appropriate severance pay experience credit accrued with Producer and his employment shall not be considered to be terminated for severance pay purposes as a result of such successor company's acquisition of Producer. If such employee is not so continued in employment by the buying company, then Producer

is responsible for any severance pay due the employee at the time of his termination. If such employee is offered employment by the buying company, but elects not to continue his employment with the buying company, he shall not be entitled to any severance pay from either Producer or buying company.

(h) Presentation of Claim for Severance Pay

Any claim for the payment of severance pay, not presented to the Producer within three hundred sixty-five (365) calendar days after the date upon which the employee is qualified under this Paragraph for such severance pay, shall be deemed to be waived.

**75. No Clause.**

**76. Re-employment of Former Labor Union Officers**

Any employee who has been employed by the Producer for the twelve (12) consecutive months (and has actually received pay for two hundred (200) or more days in that period) immediately prior to the date of his election or appointment to a paid full-time job with a labor organization in the motion picture industry shall be re-employed in his former job within ninety (90) days after leaving his Union position, on the same basis and seniority as though he had never left such job with Producer. Provided, however, that such job is available at the time of request for re-employment; that the job is not then held by an employee holding a personal service contract; that the employee, in the opinion of the Producer, is qualified and able to perform the duties required in such job, and that such employee has made application within thirty (30) days of leaving his Union position.

If such position has been abolished or the labor requirements of the Producer have materially changed, then subject to the above conditions, the Producer will give such employee preference of employment for any job available within the classifications of the bargaining unit.

**77. Return of Transferred Employee to Bargaining Unit**

Any employee of the Producer subject to this Agreement who is transferred or promoted to a position with Producer outside the classifications of the bargaining unit may, at the sole discretion of the Producer, upon the termination of such transfer or promotion, be restored to a position within the classifications of the bargaining unit on the same basis and seniority as though he had never been transferred or promoted from such bargaining unit. Provided, however, that such employee makes application with Producer for reinstatement to such

position within the bargaining unit within ninety (90) days after severance from the position to which he had been transferred or promoted, as above described.

**78. No Clause.**

**79. Leave of Absence**

A regular employee's request for a leave of absence, not to exceed six (6) months, will be given consideration by the Producer, and the Producer will not unreasonably refuse to grant such a leave of absence for good cause, provided the employee's services can be reasonably spared. All such leaves of absence will be in writing. No such leave of absence will be extended beyond six (6) months, except for compelling reasons.

**80-83. No Clauses.**

**84. Screen Credit**

No screen credit as/or implying rendition of services as a Costume Designer on a motion picture subject to this Agreement shall be given to an individual other than a Costume Designer. This shall not imply any mandatory screen credit. However, if screen credit is given, it shall be in one of the following forms: "Costumes Designed by...", "Costumes by..." or "Costume Designer."

**85-86. No Clauses.**

**87. Design Authentication**

The Costume Designer or Sketch Artist may affix the Costume Designers Guild emblem on sketches wherever practical. However, it shall not be a violation of this Agreement if such emblem is not so affixed.

**88-94. No Clauses.**

## **95. Definitions, Duties and Divisions of Work**

(a) A Costume Designer is an employee subject to this Agreement who renders his services by creating and designing costumes for principal players and others in any motion picture or television series.

The differences among Exhibits 1, 2 and 3, the differences between Exhibits 4 and 5 and the differences among Exhibits 6, 7 and 8 are illustrative and non-exclusive examples of “costume re-design,” which is within the jurisdiction of the Costume Designers Guild, Local 892.

(b) In addition to creating and designing, a Costume Designer engaged hereunder may be assigned the supervision of all aspects of costuming a show, including shopping and the selection of stock costumes.

(c) The sketching of costumes for the purposes of creating a costume which will be custom-made (made to order) from that sketch is covered by the terms and conditions of this Agreement.

(d) Notwithstanding the above, it is clearly understood and agreed that all the traditional definitions, duties (including the duplication of existing garments) and divisions of work as performed by employees covered by Costumers, Local 705 are in no way limited or diminished by the provisions of subparagraph (b) above.

**96. Development of Internship/Mentorship/Training Program**

The parties agree that representatives of Local 892 will develop an Internship/Mentorship/Training Program and present same to representatives of the Producers for review and approval. The parties shall also discuss implementation of any program ultimately approved by them.

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be executed as of the day and year first above written.

### **GUIDELINES REGARDING EXTENDED WORK DAYS**

Theatrical and television productions are budgeted for specified hours of production. There are cost deterrents which encourage the production to be on budget and on time.

When an extended work day is necessary, the need for same should be identified as far in advance as possible so that appropriate planning may occur.

The following guidelines set forth common sense measures which should be considered when extended work days are necessitated:

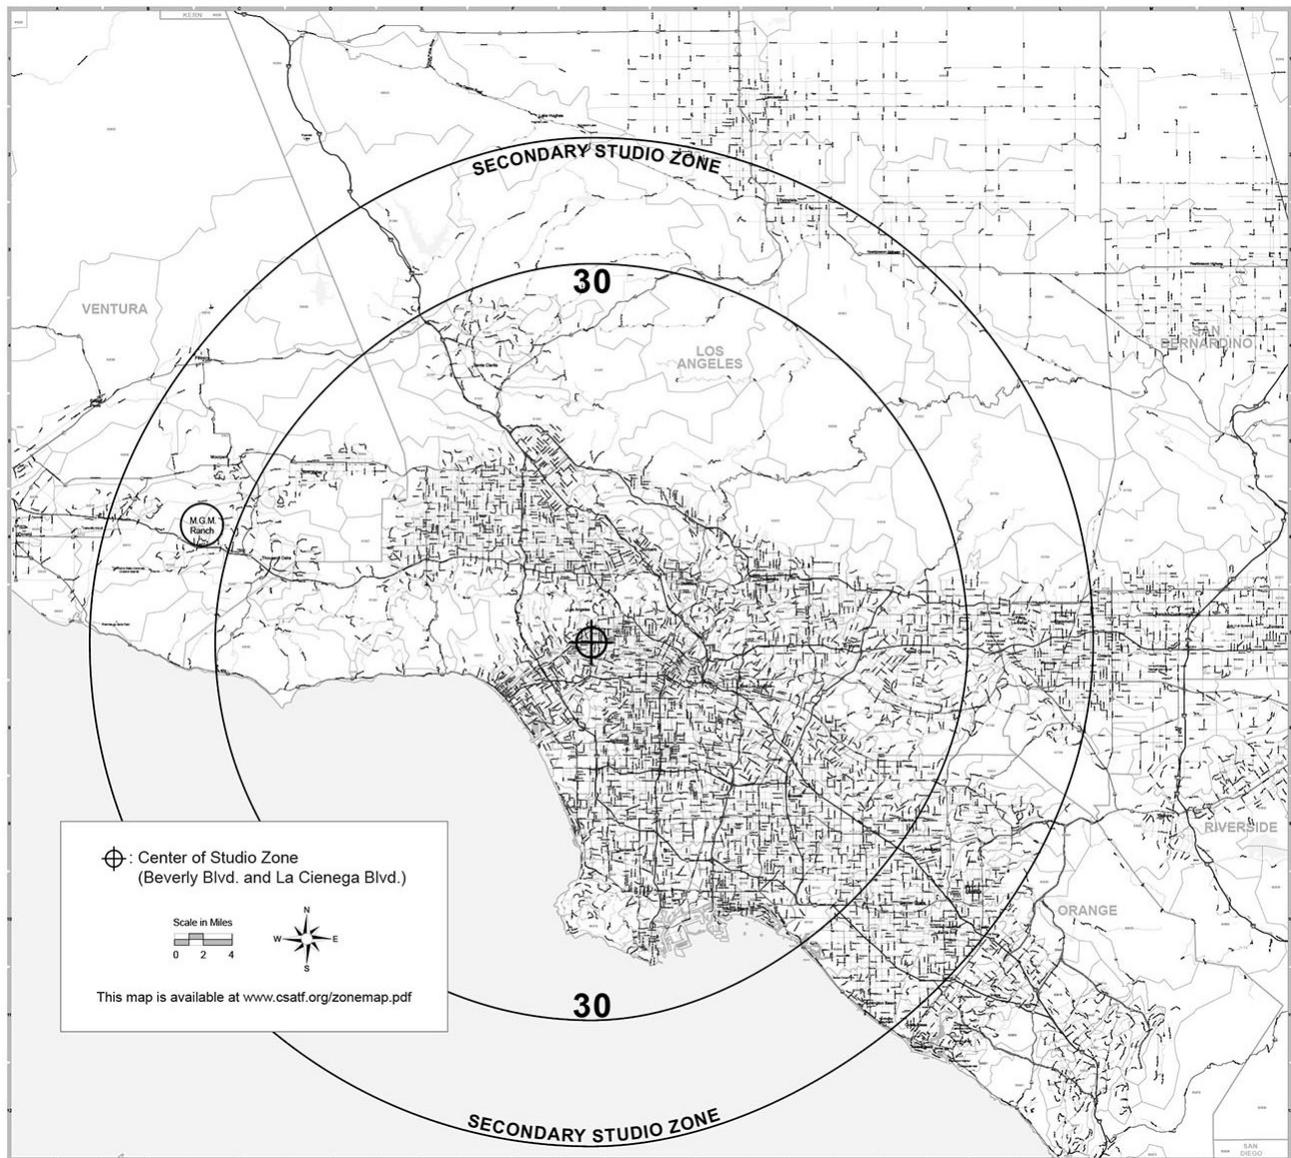

1. Sleep deprivation, which may be caused by factors other than an extended work day, should be identified by the employee. The American Automobile Association (AAA) cautions drivers as to the following danger signs:

- Eyes closing by themselves
- Difficulty in paying attention
- Frequent yawning
- Swerving in lane

AAA warns that drivers experiencing any of these danger signs could fall asleep at any time. AAA recommends three basic solutions - sleep, exercise and caffeine. AAA urges drivers who are too drowsy to drive safely to pull off the road to a safe area, lock the doors and take a nap - even twenty minutes will help. Upon waking, the driver should get some exercise and consume caffeine for an extra boost.

2. Any employee who believes that he/she is too tired to drive safely should notify an authorized representative of the Producer before leaving the set. In that event, the Producer will endeavor to find alternative means of transportation or provide a hotel room or a place to rest. Such request may be made without any fear of reprisal and will not affect any future employment opportunities.
3. When the production company anticipates an extended work day, the employees should be encouraged to carpool.
4. When an extended work day is necessary, appropriate beverages and easily metabolized foods should be available.

**STUDIO ZONE AND SECONDARY STUDIO ZONE MAP**

**Studio Zone Defined** - The Studio Zone shall be the area within a circle thirty (30) miles in radius from Beverly Blvd. and La Cienega Blvd., Los Angeles, California and includes Agua Dulce, Castaic (including Lake Castaic), Leo Carillo State Beach, Ontario International Airport, Piru and Pomona (including the Los Angeles County Fair Grounds). The Metro-Goldwyn-Mayer, Inc. Conejo Ranch property shall be considered as within the Studio Zone.

**Secondary Studio Zone Defined** - The Secondary Studio Zone extends ten (10) miles from the perimeter of the Studio Zone and includes John Wayne Airport and the City of Huntington Beach in its entirety.

**Re: Special Conditions for One-Half Hour and One-Hour Pilots and One-Hour Episodic Television Series (Other than Pilots or Series Made for Basic Cable)**

Dear Matt:

This will memorialize the agreement reached in the 2015 negotiations, and renewed in the 2018 and 2021 negotiations, to apply the special conditions set forth herein to pre-production and production of the following dramatic television motion pictures (other than a pilot or series made for basic cable), which are committed to be produced in Los Angeles:

- (1) One-half hour and one-hour pilots; and
- (2) One-hour episodic television series, the production of which commences on or after August 1, 1993.

The special conditions applicable to such programs are:

- a. Wages – For pilots and the first two (2) production seasons of any series, the wage rates set forth in the Local Agreements for the period immediately preceding the period in question shall apply (e.g., during the period August 1, 2021 to July 30, 2022, the wage rates for the period August 2, 2020 to July 31, 2021 shall apply); thereafter, the wage rates in the Local Agreements shall apply.
- b. Vacation - No vacation pay shall be payable for a pilot and the first year of any series; in the second year of the series, vacation will be payable at one-half of the applicable percentage in the Local Agreements; thereafter, the vacation provisions in the Local Agreements shall apply.

- c. Holidays Not Worked - No unworked holiday pay shall be payable for a pilot and the first year of any series; in the second year of the series, unworked holiday pay will be payable at one-half of the applicable percentage in the Local Agreements; thereafter, the unworked holiday provisions in the Local Agreements shall apply.
- d. Holidays Worked - Each employee working on a holiday shall be paid a minimum of eight (8) hours at double time for such holiday.
- e. Overtime - Daily overtime for hours worked shall be paid at the rate of time-and-one-half for each hour worked after eight (8) work hours, except as otherwise provided in a Local Agreement; golden hours, when applicable, shall be paid for each hour worked after twelve (12) work hours.
- f. Transportation Allowance - With respect to employees reporting to a "studio zone location," as described in the Basic Agreement and Local Agreements, Producer shall not be required to pay a transportation allowance to any employee who travels to any location in Los Angeles County within a ten (10) mile radius from a point to be determined by the Producer. Producer shall give prior notice to the IATSE of the point so designated. Such point may be changed by Producer at the beginning of each season. Commencing outside the ten (10) mile radius, a transportation allowance will be paid pursuant to the Basic Agreement and/or Local Agreements. Secured parking will be provided at such locations in accordance with the Basic Agreement and Local Agreements.

**Re: Special Conditions for Long-Form Television Motion Pictures (Including Movies-of-the-Week, Mini-Series and Two (2) Hour Pilots for Which No Commitment for a Series Exists at the Time of the Pilot Order)**

Dear Matt:

This will confirm the agreement reached by the ALLIANCE OF MOTION PICTURE AND TELEVISION PRODUCERS, on behalf of the Producers listed in the 2021 Producer-I.A.T.S.E. Basic Agreement (hereinafter referred to individually as "the Producer") and INTERNATIONAL ALLIANCE OF THEATRICAL STAGE EMPLOYEES AND MOVING PICTURE TECHNICIANS, ARTISTS AND ALLIED CRAFTS OF THE UNITED STATES, ITS TERRITORIES AND CANADA, AFL-CIO ("IATSE").

WHEREAS the Producer is a signatory party to the Producer-I.A.T.S.E. Basic Agreement of 2021 and the West Coast Studio Local Agreements; and

WHEREAS special conditions exist regarding productions of made-for-television long-form programs, and of long-form motion pictures made for the videocassette/DVD market which are budgeted at \$9,000,000 or less, as further described below, concerning whether such programs or motion pictures will be produced by the Producer; and

WHEREAS special conditions exist in order to preserve and maintain employment for IATSE members;

THEREFORE, it is agreed as follows:

1. This sideletter and its special conditions shall apply to those made-for-television long-form projects (movies-of-the-week, mini-series and two (2) hour pilots,

provided that no commitment for a series is attached to the pilot order\*), as well as to long-form motion pictures made for the videocassette/DVD market which are budgeted at \$9,000,000 or less, which are produced by the Producer in Los Angeles during the term of the 2021 IATSE Basic Agreement. Additionally, for made-for-home video productions budgeted at no more than \$12,000,000, Producer may elect to use the terms of the Low Budget Theatrical Agreement as provided in the Sideletter re Made-For-Home Video Productions.

2. All of the terms and conditions of the IATSE Basic Agreement of 2021 and the West Coast Studio Local Agreements shall apply, except as provided in the special conditions in this sideletter.
3. These special conditions shall not apply to any post-production work on the productions covered hereunder, and all post-production and lab work shall be performed in accordance with the IATSE Basic Agreement of 2021 and the West Coast Studio Local Agreements.
4. The roster provisions of the IATSE Basic Agreement and the West Coast Local Agreements are fully applicable; however, prospective employees are free to accept or refuse a call to work on any production covered hereunder and any refusal to accept a call will not count as a refusal under the roster provisions of Paragraph 68 of the applicable Local Agreements.
5. The special conditions applicable to the productions covered hereunder are:
  - (i) (A) Notwithstanding any wage rate changes made in the future in the Basic Agreement and the West Coast Local Agreements, wages are as listed on the attached "Made for Television Long-Form Agreement Rate Schedules."
  - (B) It is the good faith intention of Producer that an employee (other than an employee engaged as Local 44 "Construction Labor" or Local 729 "Set Painter") who works in a pay classification for which a weekly wage rate has not been specified in the applicable Local Agreement (e.g., Production Painter in Local 729, Grip in

---

\* If there is a firm commitment for a series at the time the two (2) hour pilot is ordered, the Sideletter entitled "Special Conditions for One-Half Hour and One-Hour Pilots and One-Hour Episodic Television Series (other than Pilots or Series Made for Basic Cable)" shall apply.

Local 80, and Lamp Operator and Lighting Technician in Local #728) and who is employed and paid at the weekly wage rate is being engaged to perform the required work within the classification for all the time that particular work is needed on the project (e.g., Producer expects at the time of hiring to utilize a grip for all three (3) weeks on which grip work is needed during a four (4) week shoot). Otherwise, the applicable hourly or daily rate shall be paid for these classifications. This shall not be construed to be a run-of-the-show guarantee.

However, an employee in the "Construction Labor" and "Set Painter" craft and classifications on pre-production, for which the Local Agreement does not provide for a weekly salary, shall be hired only as a daily employee.

Any allegation of improper application of the above shall be promptly reviewed by representatives of the affected Local(s), the IATSE International Office and the Labor Relations Department of Producer before filing any grievances on the matter.

(ii) Staffing will be fully interchangeable with the following crew:

- |                                     |   |
|-------------------------------------|---|
| - Art Director (1)                  | - Sound (¶106 of the Local 695 Agreement is applicable) |
| - Camera (4)                        | - Greensperson  |
| - Set Construction as needed        | - Electrical Operations (4)                             |
| - Grip Operations (4)               | - Special Effects as needed                             |
| - Craft Services (1)                | - Set Dressing (3)                                      |
| - Production Painter as needed      | - Props (2)   |
| - First Aid as needed               | - Wardrobe (2)  |
| - Make-up and Hair Stylist (1 each) | - Script Supervisor (1)                                 |
|                                     | - Set Designer as needed                                |

(iii) Overtime will be paid at the rate of time and one-half after eight (8) hours worked, except that daily overtime for Script Supervisors shall be paid as provided in the Local 871 Agreement (i.e., time and one-half after six (6) hours); double time, when applicable, to be paid after fourteen (14) elapsed hours. Overtime pay for weekly employees shall be based on one-fortieth (1/40) of the weekly rate.

- (iv) Meal periods - The time for breaking for the meal period may be extended by up to one-half hour beyond the time specified in the Local Agreements without penalty at the request of the Director. Notice for such a delayed break must be given no later than one (1) hour before the meal period and the extension may not be scheduled.
  - (v) Producer will not be required to pay the percentage of salaries for the specified contractual holidays; however, any employee working on such holiday will be paid double time. Weekly employees will be paid for any holiday not worked during their period of employment.
  - (vi) Producer will not be required to pay the percentage of salaries as vacation pay.
  - (vii) Producer will not be required to pay any transportation allowance, such as specified in Paragraphs 21(c) and 22(b)(2) of the West Coast Studio Local Agreements.
  - (viii) An employee hired as a weekly employee shall be paid a full week's pay. Producer will not prorate the weekly rate for the purpose of paying the employee on a daily rate or fractional weekly basis, unless the employee elects not to perform the full week's work (e.g., the employee, hired for a week, works three days and quits).
6. Prior to actual employment, Producer shall inform and provide written information to each employee to be hired of the special conditions applicable to the production.
7. Producer will provide to the appropriate West Coast Studio Locals the name of the project and, upon request, the names and classifications of the employees who will be employed under the special conditions of this Sideletter.
8. The following additional special terms and conditions shall apply only to two (2) hour pilots for which there is no series commitment at the time the pilot is ordered and which are produced under the terms of this Sideletter.
- (i) Producer agrees to produce all future episodes resulting from the two (2) hour production under the episodic television provisions of the IATSE Basic Agreement in Los Angeles County or immediate areas, provided that when the series is required to be produced outside Los Angeles County or immediate areas due to creative reasons only, employment of a majority of the crew from Los Angeles County (or if the episodes are made in one of the "IATSE production cities") will satisfy this condition.

- (ii) When the series is based in Los Angeles County, the Producer may do location work outside of Los Angeles County on isolated episodes and employ portions of the crew from Los Angeles County without the number constituting a majority of the crew from Los Angeles County.
  - (iii) If principal photography of the first episode commences within seventy (70) days of completion of principal photography of the two (2) hour long-form television production, the Producer shall retroactively pay to the IATSE-represented employees who worked on the two-hour television production the wages set forth in the episodic television provisions of the Basic Agreement.
  - (iv) The AMPTP and the IATSE shall appoint a joint committee to review and monitor any issues relating to the above.
9. The following additional special terms and conditions shall apply only to long-form motion pictures made for the videocassette/DVD market which are budgeted at \$9,000,000 or less and which the Producer has elected to cover under the terms of this Sideletter, rather than under the terms of the Low Budget Theatrical Agreement:
- (i) The IATSE shall have the right to audit any such production to ensure that its budget falls within the aforementioned limitation. If the budget cap is exceeded, the wages, terms and conditions of the Basic Agreement shall apply.
  - (ii) "Behind-the-scenes" shots, when done by the signatory company for such productions, shall also be covered under the terms of this sideletter.

Matthew D. Loeb  
Long-Form Television Sideletter  
As of August 1, 2021

The IATSE agrees to meet and negotiate on a production-by-production basis with respect to new one-hour episodic television series for which the pattern budget does not exceed \$1,300,000 in direct costs of production per episode. This approach will allow the parties to tailor the agreement to the specific needs of the production and, thus, is more likely to achieve the goal of encouraging low budget one-hour series production to be done in Los Angeles.

Sincerely,

Carol A. Lombardini

**Re: Made-For-Home Video Productions**

Dear Matt:

This will memorialize the agreement reached in the 2012 negotiations that a Producer may elect, on a production-by-production basis, to use the terms of either the Long-Form Television Sideletter or the Theatrical Low Budget Agreement for employees employed under the Basic Agreement on made-for-home video productions; provided, however, a Producer electing the Theatrical Low Budget Agreement: (1) shall not be entitled to use the Ultra Low Budget provisions thereof, and, instead, Tier One shall apply to all made-for-home video productions budgeted at \$5 million or under; and (2) shall pay the applicable Production Cities rates to employees represented by Locals 600, 700 and 800, even if those employees are employed outside the Production Cities.

Sincerely,

**Re: Productions Made for New Media**

Dear Matt:

This Sideletter to the Producer – IATSE Basic Agreement of 2021<sup>1</sup> confirms the understanding of the International Alliance of Theatrical Stage Employees (hereinafter “the IATSE”), on behalf of itself and its West Coast Studio Local Unions, on the one hand, and the Alliance of Motion Picture and Television Producers, on behalf of the Producers it represented in the negotiations for a successor agreement to the 2018 Producer – IATSE Basic Agreement (hereinafter collectively “the parties”), concerning the terms and conditions applicable to the production of entertainment motion pictures of the type that have traditionally been covered under the Producer – IATSE Basic Agreement (hereinafter “the Basic Agreement”)<sup>2</sup> that are made for the Internet, mobile devices, or any other new media platform in existence as of August 1, 2009 (hereinafter collectively referred to as “New Media”).<sup>3</sup> With respect to such productions intended for initial use in new media, the parties agree as follows:

---

<sup>1</sup> For convenience only, and without intending to change the meaning or effect of or alter the interpretation of this Sideletter to the Basic Agreement, the parties agree to reprint this Sideletter in the West Coast Studio Local Agreements.

<sup>2</sup> Such entertainment motion pictures do not include non-dramatic programs and non-prime time dramatic programs which are instead covered under the Producer - I.A.T.S.E. Videotape Electronics Supplemental Basic Agreement (hereinafter "the Videotape Agreement").

<sup>3</sup> This Sideletter applies to the production of certain types of programs intended primarily for use in New Media and does not cover work involved in the selection of content for, design or management of any website or any other New Media platform on which productions made for New Media appear.

**A. Recognition**

The Producer recognizes the IATSE as the exclusive bargaining representative of employees employed in the job classifications covered by the West Coast Studio Local Agreements (hereinafter “the West Coast Studio Local Agreements”) within the geographic scope of the applicable West Coast Studio Local Agreement on entertainment motion pictures of the type traditionally covered under the Basic Agreement, other than those covered under the Videotape Agreement, which are intended for initial exhibition in New Media, but excluding news, sports, documentaries and “Experimental New Media Productions,” as that term is defined below.

**B. Coverage**

Coverage shall be at the Producer’s option with respect to “Experimental New Media Productions.” Should the Producer elect to cover an Experimental New Media Production, the terms and conditions applicable to employment on Original New Media Productions, as set forth in Paragraph D.(1) below, shall apply.

An “Experimental New Media Production” is defined as any Original New Media Production: (1) for which the actual cost of production does not exceed: (a) \$15,000 per minute of program material as exhibited, and (b) \$300,000 per single production as exhibited, and (c) \$500,000 per series of programs produced for a single order; and (2) on which fewer than four (4) employees as hereinafter described are working in job classifications covered by, and within the geographic scope of, an industry-wide agreement between Employers and the IATSE, or a Local thereof, which agreement covers television productions as well as productions made for new media. With respect to any employee working within the geographic scope of the Basic or Videotape Agreement, such employees shall include any person listed on the Industry Experience Roster established by the Basic Agreement, or in the case of employees working in classifications with no Roster, any person who has thirty (30) or more days of work experience within the last three (3) years, either alone or in combination, under the West Coast Studio Local Agreement covering that classification, the Videotape Agreement, or on New Media productions covered under this Sideletter or the corresponding Sideletter in the Videotape Agreement.<sup>4</sup> With respect to any employee working in the respective classifications and geographic scope of any other industry-wide Agreement described in the first sentence of this paragraph, such employees shall include any person who has thirty (30) or more days of work experience within the last three (3) years under any such Agreement and/or on New Media productions covered under any such Agreement.<sup>5</sup> Notwithstanding the preceding two sentences, in determining whether fewer

---

<sup>4, 5</sup> The Producer shall be entitled to rely on the representation of the employee as to whether he or she meets the "thirty (30) or more days of work experience within the last three (3) years " requirement.

than four (4) such employees are employed on the production, the following employees shall not be counted: employees not specifically charged to the production or who are included in general overhead; script coordinators and writers' room assistants; projectionists and in-house publicists (but not unit publicists); and employees engaged in post-production or distribution functions, including, but not limited to, editing and looping, regardless of where or when those functions are performed, but excluding the editor, provided that such editor is working in conjunction with the shooting company.

The actual cost of the Experimental New Media Production shall consist of all direct costs actually incurred in connection with the Production. The only costs excluded in determining the actual cost of production shall be development costs, overhead charges, financing costs (*i.e.*, loan origination fees, gap fees, legal fees and interest), contingency of up to ten percent (10%), essential elements insurance costs, the cost of the completion bond, marketing expenses, contingent payments to talent or other parties which are based on the proceeds derived from the exploitation of the Production and received after recoupment of the negative cost, and delivery items required by sales agents, distributors or sub-distributors (*i.e.*, delivery materials beyond the answer print, NTSC Video Master if the Production is delivered on videotape, or the digital equivalent if the Production is delivered in a digital format).

If the Producer began production of an "Experimental New Media Production" which the Producer elected not to cover under the terms of this Sideletter, but subsequently employs four (4) or more employees on the production in job classifications covered by, and within the geographic scope of, an industry-wide collective bargaining agreement which meets the description in the first sentence of the second paragraph of this Paragraph B., and such employees meet the description in either the second or third sentence of the second paragraph of this Paragraph B., and are not excluded pursuant to the fourth sentence of said paragraph, then said production shall automatically be deemed covered hereunder, starting from the first day on which at least four (4) or more such employees are so employed on the production and continuing until the production is finished.

Producer shall use reasonable efforts to notify the IATSE that it intends to cover an "Experimental New Media Production" by the start of principal photography.

**C. Terms and Conditions of Employment on Derivative New Media Productions (Other than a Derivative High Budget New Media Production Made Primarily for Exhibition on a Subscription Video-On-Demand Consumer Pay Platform ("High Budget SVOD Program"))**

A "Derivative New Media Production" is a production made for New Media based on an existing television motion picture covered by the Basic Agreement, other than a non-dramatic or non-prime time dramatic program covered under the Videotape Agreement, that was produced for "traditional" media – *e.g.*, a free television, basic cable or pay television motion picture ("the source production") – and is otherwise included among the types of motion pictures traditionally

covered by the Basic Agreement, but is not a non-dramatic program or non-prime time dramatic program covered under the Videotape Agreement.

Employees may be employed by a Producer and assigned to a Derivative New Media Production as part of their regular workday on the source production. The work for the Derivative Production shall be considered part of the workday for the employees on the source production and shall trigger overtime if work on the Derivative Production extends the workday on the source production past the point at which overtime would normally be triggered on the source production.

All other terms and conditions, including benefits, shall continue as if the employee were continuing to work on the source production.

In all other situations, terms and conditions of employment for a Derivative New Media Production (other than a derivative High Budget SVOD Program, the terms and conditions of employment for which are provided in Paragraph G.) are freely negotiable between the employee and the Producer, except for those provisions identified in Paragraph E. below which shall be automatically applicable to employees.

**D. Terms and Conditions of Employment on Original New Media Productions (Other than an Original “High Budget SVOD Program”)**

(1) Terms and conditions of employment on Original New Media Productions (other than a “Low Budget SVOD Program” as defined in Paragraph D.(2)(b) below, a “Mid-Budget SVOD Program” as defined in Paragraph D.(3) below and other than an Original “High Budget SVOD Program” as defined in Paragraph G.(2) below) are freely negotiable between the employee and the Producer, except for those provisions identified in Paragraph E. below which shall be automatically applicable to employees.

(2) **Low Budget SVOD Programs**

(a) The terms and conditions set forth in this Paragraph D.(2) shall be applicable prospectively only. They shall not apply to “Legacy” Low Budget SVOD program or series, which are defined as:

(i) any program or series that would otherwise qualify as a “Low Budget SVOD Program” within the meaning of this Sideletter, for which the principal photography of the program, in the case of a one-time program, or the principal photography of the first episode, in the case of a series, commenced prior to August 1, 2022; or

(ii) any program or series that would otherwise qualify as a “Low Budget SVOD Program” within the meaning of this Sideletter, for which the principal photography of the program or the first episode of the series commenced after August 1, 2022, if

such program or series were produced pursuant to the terms of a bona fide license agreement with fixed and definite terms entered into by the Producer prior to August 1, 2022.

However, if such license agreement is entered into subject to conditions precedent, then all such conditions must be satisfied prior to August 1, 2022.

Any “Legacy” Low Budget SVOD program or series described in subparagraphs (i) or (ii) above shall be subject to Paragraph D.(1) of this Sideletter. However, with respect to any such program or series described in subparagraphs (i) or (ii) above, if the licensee orders additional programs or episodes pursuant to the terms of the license agreement after August 1, 2022 and the Producer has the right to negotiate with respect to the material terms and conditions of the license for the additional programs or episodes, then such additional programs or episodes shall be subject to this Paragraph D.(2).<sup>6</sup>

Notwithstanding the foregoing, the Producer shall not reduce the terms and conditions of employment previously provided to IATSE-represented employees on programs or series covered by subparagraphs (i) or (ii) above.

(b) **Low Budget SVOD Programs Defined**

The terms and conditions set forth in Paragraph D.(2)(c) of this Sideletter shall be applicable only to covered original, live action dramatic new media productions (other than an “Experimental New Media Production”) made for initial exhibition on a subscription video-on-demand consumer pay platform which meet the following criteria (hereinafter “**Low Budget SVOD Programs**”):

Production costs shall not include: (a) the costs of the premium for a completion bond; (b) a contingency fund not to exceed ten percent (10%) of the budget; (c) costs reimbursed by insurance; and (d) overages caused by a *force majeure* event or governmental action. Employer shall provide the IATSE, upon request, with a report of the actual expenditures of the production ("Final Expenditure Report") and such other relevant materials as the IATSE may require which show the actual cost of the production. In addition, the IATSE shall not unreasonably deny waivers of this provision for exhibition at an educational institution or similar circumstances.

<sup>38</sup> The bargaining parties agree that this payment shall not reduce the minimum funding otherwise required for the Pension Plan (in other words, when determining whether the minimum funding requirement of the Pension Plan has been met, no reduction shall be made in the amount of Supplemental Markets monies that would otherwise be allocated to the Pension Plan by reason of amounts payable under this provision).

All information received or reviewed by representatives of the IATSE shall be kept confidential, and neither the IATSE nor its representatives shall disclose any such information, except as necessary to enforce its rights under this Agreement.
